

Lakeside Developments Limited is considering the development of 2083 Old Lakeshore Road.

This proposed development would consist of a 27 - storey mixed use building with 195 residential units, including a mix of one and two bedroom units, a 5-level below grade parking structure, and ground floor commercial space along Lakeshore Road.

If Lakeshore Developments Limited chooses to pursue this redevelopment, it would require an amendment to the City of Burlington Official Plan and Zoning By-law. The current Official Plan designation of the site is Downtown Mixed Use Centre, Old Lakeshore Road Mixed Use, West Precinct and the current zoning is Downtown Commercial Zone "DL-A".

No development applications have been submitted to the City of Burlington at this time, and the City has not made any decisions on this proposal.
