# DROP-IN OPEN HOUSE

166, 206, 230 Flatt Road and  
1350 Waterdown Road, Burlington

## *Details*

**Date:** Wednesday, January 15, 2025

**Time:** 6:00-8:00pm. Drop-in any time!

**Location:** Crossroads Unit Commons  
(1295 North Service Road, Burlington) -  
Room 115

Members of the project team will be in attendance to share information and hear your thoughts. Mayor Meed Ward, Councillor Galbraith, and City of Burlington Staff, will also be in attendance.

The proposed development will include 166, 206, 230 Flatt Road and 1350 Waterdown Road into the Settlement Area and help the City of Burlington meet their housing needs!

We are working with the City of Burlington to see how this land can be best used to meet those needs. While there has been no approval of any of our concepts by the City, we have been asked by the City to meet with our neighbours to present our current draft proposals and to ask for your insights and advice.

We welcome the opportunity to present our current concepts to you and look forward to your participation in our planning process. This Open House will let us present you with our current proposals and provide you with an opportunity to ask questions and to provide comments and suggestions.
