## CLASSIC ALBUMS LIVE: FLEETWOOD MAC'S *Rumors*

Date and Time: Thursday, March 7 7:00 pm

Address: 440 Locust St.

BPAC favourite Classic Albums Live and its roster of A-list musicians from across the country will be performing Fleetwood Mac's *Rumors* exactly as you remember hearing it, note for note, cut for cut.

Founded in 2003 by Craig Martin, Classic Albums Live takes the greatest albums and recreates them live on stage – note for note, cut for cut, using the best musicians. “Think of it as a recital,” says Martin, “these albums are historic and stand the test of time.” Forgoing costumes and impersonations, Classic Albums Live has found success in concentrating solely on the music. “We don't dress up or wear any sort of costume. We just stand there and play. All of our energy is put into the music. We want the performance to sound exactly like the album,” says Martin.

With 100+ shows a year across North America, Classic Albums Live has seen massive success in performing arts centres and theatres. Fans in Texas, Las Vegas, Florida, New York and central and east coast Canada have all continued to support the series and make it a sustaining, successful show. “We grew while others withdrew,” says Martin, commenting on the decline of concert ticket sales, “We created something that endures and connects. These albums are sacred to people. We deliver exactly what we promote – ‘note for note, cut for cut’ accuracy.”

It’s this type of accountability that works for the series.

The charismatic, globe-trotting trio are the most successful classical crossover act to emerge from Ireland. They just sing songs they love, and they most certainly don't take themselves too seriously. It's all about the music, the harmonies and the fun.

**Sharing Ireland's tradition of story and song with the world for 25 years.**

For over two decades, the Celtic Tenors, ( Matthew Gilsenan, James Nelson and Daryl Simpson ) have been charming audiences the world over with their rich harmonies, disarming wit as well as radiating their love for all that is Ireland.

Along this path, Celtic Tenors have topped the charts in the USA, Canada, Australia, Germany, the UK and Ireland, and sold well over a million albums with almost as many miles travelled as they continue tour the world.

Be it with symphony or in their own stage shows, The Celtic Tenors continue to innovate by side-stepping from their classical roots by infusing music with a more contemporary edge such as Ed Sheeran and Van Morrison.
