Join us for the Pool Party of the summer at this year's splashtastic Pooch Plunge!

Held on Saturday, September 7, a week after Nelson Pool closes to the public, the chlorine levels are dropped to make the pool dog-friendly and it becomes available for a dog-only swim before the pool closes down and is cleaned for the winter.

The pool has a beach-style shallow entry to allow dogs to walk into the water gradually, though dogs are also welcome to jump in off the deeper sides! Pawrents – sorry – this event is for the pooches only – due to the lowered chlorine levels, no humans are allowed into the water.

The inner pool area is fully fenced in, allowing for it to be designated as off-leash for the day. Our trusted volunteers will manage the gate entry to ensure no escapees!

In the outer pool area, please visit our local vendors, and check out our Info Booth to learn about all that we do at Burlington Humane while you wait for your timed slot.

Time Slots:

1 p.m. – 1:45 p.m.: Small Dogs (Under 25 lbs)

There will be two exceptional African roots musical groups. **Okavango African Orchestra**, a Juno award winning ensemble (2017 World Music Album), explores the vast array of musical traditions that span the African landscape. By carefully selecting instruments and drawing inspiration from a myriad of rhythmic patterns, they craft a musical landscape that resonates with the soul of Africa while pushing the boundaries of conventional sound. This is more than just music; it's a celebration of the vibrant tapestry that is African heritage, expressed through the universal language of harmony.

Nostalgia Egyptian Music is a dynamic group that reimagines the rhythms of Egyptian music for a modern audience. With a fusion of traditional instruments and contemporary beats, they create a high-energy sound that is both authentic and innovative. Their music is a celebration of Egypt's rich cultural heritage, presented in a way that is fresh and exciting.

In addition to the music, there will be 5 workshops to choose from and since the workshops will be repeated, attendees can try their hands at 2! At **African Beats** a choreographer will lead participants in an easy dance routine. Line dance together to intense African Beats!

Register the right answers on your mobile phone as you play **African Trivia**. Show off all you know about the beautiful continent! Learn about **African Flavours** including foods, spices and new recipes. Taste Ethiopian coffee at our free coffee bar. African prints and colours have long

influenced the world of fashion. Discover the versatility of **African Textiles**. We all admire the giant animals of Africa. Learn how we in Canada can help conserve **Africa's Animals**.

One Burlington is dedicated to creating opportunities for people from diverse backgrounds, cultures, ethnicities and faiths to get to know and learn about each other. They have been presenting events since 2017, having organized 6 fairs, 5 Black History Month events and many panel discussions. There are several videos available on YouTube including “Appreciating our Indigenous Heritage” and the story of “Africville”.
