Classic Albums Live QUEEN - News of the World

Date and Time: Friday, February 14 8:00 pm

Address: 440 Locust Street Burlington, ON L7S 1T7

BPAC favourite Classic Albums Live and its roster of A-list musicians from across the country will be performing Queen's *News of the World* exactly as you remember hearing it, note for note, cut for cut.

News of the World is the sixth studio album by the British rock band Queen, released on 28 October 1977. Queen responded to progressive rock backlash, brought on by punk bands like the Sex Pistols, by simplifying their symphonic rock sound and gearing towards a more spontaneous hard rock sound. *News of The World* has since come to be regarded as one of Queen's greatest albums, while "We Are the Champions" and "We Will Rock You" have since become rock anthems.

Founded in 2003 by Craig Martin, Classic Albums Live takes the greatest albums and recreates them live on stage – note for note, cut for cut, using the best musicians. "Think of it as a recital," says Martin, "these albums are historic and stand the test of time." Forgoing costumes and impersonations, Classic Albums Live has found success in concentrating solely on the music. "We don't dress up or wear any sort of costume. We just stand there and play. All of our energy is put into the music. We want the performance to sound exactly like the album," says Martin.

THE NORTHERN PIKES & GRAPES OF WRATH

Date and Time: Friday, February 28 8:00 pm

Address: 440 Locust Street Burlington, ON L7S 1T7

The Northern Pikes are one of a handful of acts that have a permanent footprint on the psyche of generations of Canadian rock and pop fans. Since first forming in Saskatoon in 1984, the group has had one platinum album with 1990's *Snow in June*, four gold LPs, and eight hit singles that remain mainstays across the country.

Its latest album, *TIME to TIME*, released June 9, 2023 across all digital platforms, and on LP and CD, finds the band taking a step back to reflect on and revisit the best-loved tracks from *Snow in June*. The Pikes have stripped the songs down to their essentials and created fresh acoustic arrangements of "Dream Away," "Love These Hands," "Kiss Me You Fool," "She Ain't Pretty," "Green Fields," "Girl With a Problem," and the title track.

Any fan of Canadian music from the later 80s/early 90s is likely familiar with the Juno-nominated and multi-platinum-selling band The Grapes of Wrath. Their 60s-inspired pop-rock was a constant on radio and MuchMusic, with hit singles such as "All The Things I Wasn't," "I Am Here," "Peace Of Mind," "You May Be Right," "What Was Going Through My Head," "Backward Town," and more.
