Pre-Application Community Meeting- 1056 - 1060 Brant St

Date and Time: Tuesday, May 6 6:30 pm - 8:30 pm

Address: Hybrid meeting via zoom or in-person at 1333 Lakeshore Rd

735842, 2060188, 2735841, and 2059977 Ontario Inc. (collectively, the “owner”) is considering the redevelopment of 1056 – 1060 Brant Street.

This proposed development would consist of an 11 - storey residential building with approximately 93 residential units, including a mix of 1, 2 and 3 bedroom units.

If the owner chooses to pursue this redevelopment, it will require an amendment to the City of Burlington Official Plan and Zoning By-law. The current Official Plan designation of the site is Mixed Use Corridor – General and the current zoning is Mixed Use Corridor General Zone “MXG”.

No development applications have been submitted to the City of Burlington at this time, and the City has not made any decisions on this proposal.

A pre-application community meeting has been scheduled to discuss this potential redevelopment so that public can provide feedback to the owner at this early stage. The meeting will be held in a Hybrid format, with both in-person and virtual attendance options available.

Human trafficking is one of the fastest-growing crimes in Canada, with Ontario accounting for over **two-thirds of all reported cases**. Many of these victims are young women and girls, often exploited in plain sight, including right here in communities like Burlington.

That's why we're stepping up—and inviting you to do the same.

Your participation in this event supports the **Canadian Anti-Human Trafficking Consortium**, an organization dedicated to prevention, support, and rescue efforts across the country.

Why Burlington?

Our city may seem far removed from this crisis, but traffickers often target areas along major highways and transit routes—making Southern Ontario a hotspot. Together, we can raise awareness and vital funds to help stop trafficking before it starts.

Special Guest Speaker: Jinisha Bhatt

We are honored to welcome **Jinisha Bhatt**, founder and CEO of the Canadian Anti-Human Trafficking Consortium (CAHTC), as our guest speaker. Jinisha is a leading expert in anti-financial crime and human trafficking investigations. Her organization collaborates with law enforcement and private sector entities across Canada to identify and combat human trafficking through innovative approaches, including the use of open-source intelligence.

Hybrid Statutory Public Meeting and Recommendation Report - 401, 403, 405, 409 Brant Street & 2012 James Street & 444, 448 John Street

Date and Time: Tuesday, May 13 9:30 am

Address: virtual meeting held in hybrid

WND Associates Limited has made an application to amend the Zoning for the properties located at 401, 403, 405, 409 Brant Street & 2012 James Street & 444, 448 John Street.

This application does not replace the historical OPA and ZBA that have been approved. This application seeks to modify those in-effect zoning in order to permit a development concept that has been prepared in response to the current status of the housing market.

This application seeks to establish reduced parking standards, and parking space dimensions, an additional metre in overall building height, reduced second floor building height, reduced setbacks to parking structure.

Application materials are posted on the City's Development Project webpage at burlington.ca/409brantchanges

This meeting will be held at Burlington City Hall.

Speaking at the Public Meeting as a Delegation:

To speak at the Statutory Public Meeting, there are two options:

1. Pre-register to speak by noon the **Friday** before the meeting is to be held. You can pre-register in one of the following ways:
 - a. complete the online delegation request form at www.burlington.ca/delegation;
 - b. submit a written request by email to the Office of the City Clerk at clerks@burlington.ca, or
 - c. phone 905-335-7600, ext. 7481.
2. Register during the Statutory Public Meeting.
 - a. If you are attending the meeting virtually, you can register to speak by emailing clerks@burlington.ca, as noted in the ticker tape that will be scrolling along the bottom of the live stream webcast of the meeting with registration information.
 - b. If you are attending the meeting in person, you can register to speak during the meeting by following instructions provided at the meeting.

Speakers are limited to a maximum of 10 minutes each and are webcasted online. If you have presentation materials, they must be submitted to Legislative Services at clerks@burlington.ca no later than noon, the **Friday** before the meeting to allow for their distribution and review by all members of the Committee. Please note the content of all submissions is considered public and will be posted to the City's website.

To Watch the Public Meeting Online:

Visit the City's website at www.burlington.ca/calendar by searching for the meeting date for the Committee of the Whole and clicking the 'Watch Video' link.

Gardeners of Burlington presents guest speaker, David Wood: “Attracting birds to your garden”.

Date and Time: Wednesday, May 14 6:30 pm - 9:00 pm

Address: Room 3, Burlington Seniors Centre, 2285 New St., Burlington, L7R 1J4

Gardeners of Burlington presents guest speaker, David Wood: “Attracting birds to your garden”. Please come and join a friendly group of amateur gardeners interested in learning more about all aspects of gardening.

Gardening for birds promotes the creation of nature-friendly gardens, benefiting birds and other wildlife. While providing birds with food, water, shelter and a place to raise their young, your garden will become more beautiful and eco-friendlier.

David Wood has done birding all over Canada, USA, South Africa and Namibia. He has been involved in nature all his life: worked on a farm and bird sanctuary “Happy Ralphs” in St. Catharines; worked with the City of Burlington to manage coyote danger as they are attracted to bird feeders; contributed to bringing the Trumpeter swan back off the endangered birds list; and has been the owner of Wild Birds Unlimited Burlington for 30 years.

Address: Virtual via Zoom

The City of Burlington is refreshing its Community Trails Strategy—and we want to hear from you!

We're seeking input from residents on what you love about the current trail network and how it can be improved to better serve all users. Your feedback will help shape trail improvements and guide future investments.

Engagement will focus on key topics such as:

- Mobility and connectivity
- Accessibility and safety
- Trail maintenance, surface, and width
- Amenities and location

This is your chance to help ensure Burlington's trails are welcoming, inclusive, and meet the needs of the community—now and in the years to come.

Online Public Session

- Date: Tuesday, May 27th, 2025
- Time: 6:30 p.m. – 8:00 p.m.
- Location: Zoom Webinar. Register here: https://lura-ca.zoom.us/webinar/register/WN_1Gp0WnRIQcKVGRpt8tVFfQ

There will be an opportunity to review and provide feedback on project display boards, as well as to have discussions with staff and project team members.

Special Exhibition | Game Changers

Date and Time: Wednesday, May 28 10:00 am - 4:00 pm

Address: 1240 North Shore Blvd E

Get your game on! Discover how innovation has shaped the video game industry. Game Changers takes you on a fascinating journey, exploring the past and examining how the intersection of audio, storytelling, graphics, and gameplay creates the immersive environment of current video gaming systems.

Live the video game evolution, from memorable Pong to the photorealistic, immersive games of today. Step inside a game and become a character yourself! Try your hand at operating a supersized Nintendo controller, play Tetris on a giant Game Boy, and test your knowledge of retro video game music.

Discover original concept art, storyboards, level designs, and scripts of some of the most influential games ever developed and listen to experts from the industry explain how they develop the games you love. Explore over 120 of the most influential games that have transformed the gaming scene and test your skills with games that have significantly changed the gaming experience, including Pac-Man, Super Mario Bros., Tetris, Angry Birds, Space Invaders, Flower, and Adventure.

Game Changers is a travelling exhibition created by the Canada Science and Technology Museum. The exhibition is on view at Joseph Brant Museum from May 10 – September 13, 2025.
