Civic Square Renewal - Concepts Drop-in Session

Date and Time: Wednesday, June 5 6:30 pm - 8:30 pm

Address: 426 Brant St Burlington

The City of Burlington has worked with consultants and used feedback from residents, businesses, community partners and Indigenous and First Nations groups to create three concepts of Civic Square, City Hall front entrance, façade and streetscapes.

Residents, community partners and businesses are asked to view the concepts, and answer a short survey. The [online survey](#) will be open until June 9.

An in-person drop-in session is scheduled at City Hall (426 Brant St.) on Wednesday, June 5 from 6:30 to 8:30 p.m. Staff will be in the City Hall lobby with concepts on display to take feedback and answer questions. Parking downtown after 6 p.m. is free on weekdays.

Residents can not only pick the concept they prefer, but also select aspects of the other concepts to combine into a design that uses the best features of all three concepts.

Providing your feedback will allow staff to create the best design that will help us turn the area into a vibrant, exciting and accessible space where people can connect in the downtown core.

Some of the intended final design objectives for the refresh are:

- **Enhancing community connections** - Focus on walkability and amenities for pedestrians

- **Versatility**
- **Developing community identity** - Bring together arts and culture through festivals, events and ceremonies
- **Creating a welcoming, accessible and comfortable public space** – A public space that is vibrant, safe and comfortable for all

Construction on the space will begin in the summer of 2025. The project will be complete in 2026.

Virtual Pre-Application Public Consultation Meeting - 35 Plains Road East

Date and Time: Monday, June 10 6:00 pm - 8:00 pm

Address: Virtual Meeting via ZOOM

KFA Architects and Planners Inc. is hosting a virtual pre-application public consultation meeting to present their proposal for the development of the vacant lot located at 35 Plains Road East.

The proposal is for a 12-storey mixed-use building with two levels of underground parking. The building will feature 161 residential units, rooftop amenity space with views towards Lake Ontario, and high-quality commercial spaces at the ground level. The building is designed to accommodate a spacious streetscape along Plains Road East, and conceals the vehicular access within the building envelope on Cooke Boulevard.

The proposed development will require an Official Plan Amendment and a Zoning By-law Amendment to accommodate the height and density, as well as other zoning regulations. No formal application has been submitted to the City of Burlington at this time, and the City has not made any decisions on this proposal.

The proposal is still in the pre-application phase, and this community meeting has been scheduled to gain value

ble feedback from the surrounding community members on the proposed development. During this meeting KFA, on behalf of the property owners, will present the proposed development. KFA are the architectural and planning consultants for this project, and together with the property owners will be available to answer questions regarding the proposal following their presentation. City Staff will also be in attendance to provide an overview of the development application process and to moderate the meeting. Ward 1 Councillor Kevin Galbraith and Mayor Meed Ward will also be in attendance to hear the community feedback.

Statutory Public Meeting - City-Initiated Official Plan Amendment and Community Planning Permit By-law for the City's Major Transit Station Areas Downtown Burlington UGC/Burlington GO, Aldershot GO, Appleby GO

Date and Time: Tuesday, June 11 9:30 am - 11:00 am

Address: Hybrid Meeting - online and at 426 Brant Street, Council Chambers second floor at City Hall

The City of Burlington is recommending an Official Plan Amendment and a Community Planning Permit (CPP) By-law that will affect lands within the City's three Major Transit Station Areas (MTSAs): Downtown Burlington Urban Growth Centre/Burlington GO, Aldershot GO and Appleby GO.

You are invited to attend a Statutory Public Meeting on Tuesday, June 11th concerning a city-recommended Official Plan Amendment (OPA) and Community Planning Permit (CPP) By-law. An initial Statutory Public Meeting on a draft version of the OPA and CPP By-law took place on Tuesday, October 31st, 2023, and three Open Houses were held in October 2023. City staff reviewed the comments received from the public and technical agencies and revised the draft October 2023 version of the OPA and CPP By-law. City staff are now presenting a recommended OPA and CPP By-law for further public consultation and adoption by Council.

How to Participate in the Statutory Public Meeting:

The recommended Official Plan Amendment and Community Planning Permit By-law will be available for public review on Tuesday, May 21, 2024.

The staff recommendation report, and a discussion of staff's Official Plan Amendment and Community Planning Permit By-law recommendations, will be available for public review on Friday, May 31, 2024. The report will be available on the City's website at www.burlington.ca/calendar by searching for the meeting date for the Committee of the Whole, or by visiting www.getinvolvedburlington.ca/mtsa.

If you require a hard copy of the report, please email the Clerks Department at clerks@burlington.ca to arrange pick-up.

Delegating at the Statutory Public Meeting:

To speak at the statutory Public Meeting, there are two options:

1. Pre-register to speak by noon on Monday, June 10, 2024. You can pre-register by:

- a. filling in the delegation request form at www.burlington.ca/delegation;
- b. submitting a written request by email to the Office of the City Clerk at clerks@burlington.ca or
- c. calling 905-335-7600, ext. 7481.

2. Register during the Public Meeting.

- a. If you are attending the meeting virtually, you can register to speak by emailing clerks@burlington.ca.
- b. If you are attending the meeting in person, you can register to speak during the meeting by following instructions provided at the meeting.

Speakers are limited to a maximum of 10 minutes each and are webcasted online.

If you have presentation materials, they must be submitted to Jo-Anne Rudy, Committee Clerk at Jo-Anne.Rudy@burlington.ca

no later than noon, Monday, June 10, 2024 so they can be distributed and reviewed by all members of the Committee. The

content of all submissions is considered public and will be posted to the City's website.

To Watch the Statutory Public Meeting Online:

The live webcast can also be accessed on the City's website at www.burlington.ca/calendar by searching for the meeting date

Virtual pre-application meeting for 2169 and 2175 Ghent Ave

Date and Time: Wednesday, June 12 6:30 pm - 8:00 pm

Address: Virtual Meeting

The public is invited to a Community Information Meeting to discuss a potential future development for the properties located at 2169 and 2175 Ghent Avenue in the City of Burlington. No planning applications have been formally submitted to the City of Burlington and no decisions have been made by the City.

The Community Information Meeting will be hosted by CLS and our project team and will provide the opportunity to:

1. Hear from the consulting team about the details of the potential development;
2. Hear from City staff on the planning application process and future opportunities for public engagement;
3. Hear from the Ward Councilor and/or Mayor on Council's role in the planning process;
4. Ask questions and provide comments;
5. Get information on how to be involved when formal applications are submitted in the future.

Details of the Proposed Development:

The proposed development consists of the consolidation of two properties to facilitate the construction of two 3-storey, 6-unit walk-up multi-family buildings with a total of 12 dwelling units on the property. The driveway

and parking area is proposed to accommodate 17 parking spaces and will be screened from street view by a parking screen and accessory building (garbage enclosure).

The proposed development will also include an outdoor amenity space at the rear of the property that can be utilized by residents, as well as landscape buffers that will be adjacent to the existing low rise residential units to the north and east of the subject lands. The property is proposed to be fenced along the north, east, and west property lines.

Draft- Community Engagement Charter ready for review

Date and Time: Monday, June 17 7:00 am

Address: Online survey

The City of Burlington's updated [draft Community Engagement Charter](#) is now ready for review before being finalized. Comments and feedback will be accepted until Sept 15, 2024.

The City has used public feedback on the original Charter to create this draft.

To date we have engaged with a variety of groups and individuals such as residents, City staff, Members of Council, community groups, local businesses, Council appointed Committees, faith-based groups, youth, newcomers and past members of the Charter Action Team. Staff also sought input at the Food for Feedback event and the Appleby Line Street Festival in fall 2023.

Please review some of the proposed changes or updates based on [what we heard](#) before reviewing the draft document.

Check out the [quick poll](#) and tell us what word (Resident, Citizen or Community Member) should be used in the Engagement Charter and Framework.

During the engagement, we heard a lot of great ideas on how to make engagement better in Burlington. Take a [quick survey](#) and tell us your top 5 ideas you think the City should consider.

Pre-Application Community Meeting- 750 Appleby Line/4445 Fairview St/4415 Fairview St/666-676 Appleby Line/4460-4490 Fairview st

Date and Time: Monday, June 17 4:00 pm - 7:00 pm

Address: 1996 Itabashi Way

In-Person Pre-Application Community Meeting will take place:

- Monday June 17, 2024
- 4:00 - 7:00pm
- Tansley Woods Community Centre, Community Room 1
- 1996 Itabashi Way

Alinea Land Corporation and Korsiak Urban Planning are hosting an in-person Pre-Application Com

munity Meeting to discuss a proposal to redevelop three properties (20.67hectares / 51.08 acres) on the north and south sides of Fairview Street, west of Appleby Line. The proposed development consists of high-density residential and mixed-use commercial buildings ranging from 12 to 45 storeys, two public parks, and a community facility.

The proposed development requires a Draft Plan of Subdivision for lands north of Fairview Street, as well as amendments to the Official Plan and Zoning By-law to permit residential uses and increased density and heights on the subject lands. The proposal aligns with the objectives outlined in the Growth Plan for Major Transit Station Areas (MTSAs), the Halton Region Official Plan and the City of Burlington Draft Official Plan for MTSAs.

No application has been submitted, and no decision has been made by the City.

The site is located in Ward 4, with municipal addresses below (Figure 1). Development is considered in phases as part of a Master Planned Community:

- *750 Appleby Line
- *4445 Fairview Street
- *4415 Fairview Street
- *666-676 Appleby Line &
- *4460-4490 Fairview Street

The Pre-Application Consultation Meeting is the first step in a comprehensive review of the future proposal. The meeting will follow an Open-House format, featuring informational stations with poster boards. Members of the developer team will be present to discuss elements of the development and gather community feedback before proceeding with any development applications. City Staff will be in attendance to observe and respond to queries regarding City process.

Public Open House - Environmental Assessment for Appleby Creek Flood Mitigation (Fairview Street Culvert)

Date and Time: Monday, June 17 6:00 pm - 8:00 pm

Address: Appleby Ice Centre – Community Room No. 1, 1201 Appleby Line, Burlington, ON L7L 5H9

The Appleby Creek Flood Mitigation Municipal Class Environmental Assessment (ACFMEA) Study was completed in February 2019. The ACFMEA study evaluated alternative solutions along Appleby Creek, from New Street to the GO Transit Rail corridor (near Appleby Go Train Station), to identify specific opportunities to reduce flooding risk and protect the natural heritage features and functions within the study corridor. The ACFMEA recommended preferred solutions for three flood-vulnerable areas within the study corridor.

For the study area north of Fairview Street (Reach 3), three options were assessed to reduce the extent of the flood hazard:

Option 1 - Do Nothing

Option 2 - Replace the existing bridge (Fairview Street) with a 17-metre span to convey the 100-year storm.

Option 3 - Replace the existing bridge with a span large enough to pass the Regional Storm

Option 2 was originally selected as the preferred alternative however, the ACFMEA File Report acknowledges that this option still results in the flooding of private property and the overtopping of Fairview Street under Regional Storm conditions. Option 2 was selected over Option 3 primarily due to the concerns of the capital cost at the time of evaluation.

Since the completion of the ACFMEA, the socio-cultural and economic environments of the study area have changed as a result of plans for land use intensification and proposed development within the vicinity of the Fairview Street crossing. As a result, the preferred solution identified in the ACFMEA for the Fairview Street crossing structure does not adequately address the flooding risks within the flood limits of adjacent development lands, specifically development lands known as Oval Court lands.

As such, the purpose of this Addendum process is to address the change of the preferred solution. The Addendum report will identify the circumstances necessitating the change to the larger hydraulic structure, and the potential environmental impacts and provide a comprehensive list of mitigative measures.

R.J. Burnside & Associates Limited (Burnside) was retained by Branthaven Development Corporation to complete an addendum to the Appleby Creek Flood Mitigation Municipal Class Environmental Assessment (ACFMEA) completed by Aquafor Beech Limited for the City of Burlington in February 2019.

A Public Open House is planned to provide information about the project and gather and respond to public comments.
