Classic Albums Live U2's THE JOSHUA TREE

Date and Time: Friday, November 10 08:00 pm

Address: 440 Locust St.

BPAC favourite Classic Albums Live and its roster of A-list musicians from across the country will be performing U2's The Joshua Tree exactly as you remember hearing it, note for note, cut for cut.

Founded in 2003 by Craig Martin, Classic Albums Live takes the greatest albums and recreates them live on stage – note for note, cut for cut, using the best musicians. “Think of it as a recital,” says Martin, “these albums are historic and stand the test of time.” Forgoing costumes and impersonations, Classic Albums Live has found success in concentrating solely on the music. “We don’t dress up or wear any sort of costume. We just stand there and play. All of our energy is put into the music. We want the performance to sound exactly like the album,” says Martin.

With 100+ shows a year across North America, Classic Albums Live has seen massive success in performing arts centres and theatres. Fans in Texas, Las Vegas, Florida, New York and central and east coast Canada have all continued to support the series and make it a sustaining, successful show. “We grew while others withdrew,” says Martin, commenting on the decline of concert ticket sales, “We created something that endures and connects. These albums are sacred to people. We deliver exactly what we promote – ‘note for note, cut for cut’ accuracy.”

It’s this type of accountability that works for the series.

EMMA WHALE

No matter the genre, Emma knows how to make a song stand out. With her sweet-as-candy vocals up front, she'll tell you sad stories with a tinge of hope. While her lyrics reflect her life, she'll morph her sound to match her mood, resulting in a unique experience for every release.

Emma became a multi-instrumentalist at a young age, starting with singing, then picking up piano and guitar not long afterwards. After high school, she earned her Bachelor of Musical Arts degree from Western University, and her Music Industry Arts diploma from Fanshawe College. Emma currently works as an engineer and producer at Catherine North Studios in Hamilton.

JESSE ADAMS

Life can be bittersweet. Jesse's music captures that elusive state somewhere between defeat and resolve, misery and joy. After experiencing disparate moments of bliss and devastation, Jesse reached back into her childhood diary of songs, yanked them from their resting place, and revisited each from a more mature perspective. Now 24, Jesse has released an EP called "Shades of Gold," and most recently, her debut album "Gravity." She is excited for more music to come.

Special Guest:

SARAH SLEAN

Sarah Slean is a 4-time JUNO, 2-time GEMINI nominated performer and a Canadian Screen Award-winning composer with 25 years of broad experience in music. Signed to Atlantic/Warner Records at the tender age of 19, this modern-day Renaissance woman has released 11 albums in over 10 countries worldwide. Her music borrows from pop, cabaret and orchestral, and her influences range from Joni Mitchell and Kate Bush to Bach. This year, Sarah will be composing the music for her musical stage adaptation of the award-winning film Maudie, as well as completing her Master's Degree in Composition.

BPAC's 'Live & Local' series is generously sponsored by Daniel Durst of Desjardins Insurance.

CRASH TEST DUMMIES

Date and Time: Saturday, November 25 08:00 pm

Address: 440 Locust St.

A lively throw-back concert featuring hits and fan favourites from *Superman's Song* to *The Ballad of Peter Pumkinhead* with original members Brad Roberts, Ellen Reid, Dan Roberts, and Mitch Dorge.

It's been 30 years since the Crash Test Dummies recorded their debut album, "The Ghosts That Haunt Me". Their first album garnered them their first big hit, *Superman's Song*, and a Juno Award for Group of the Year. Over three decades later, their sold out 25th Anniversary Tour for multi-Grammy nominated "God Shuffled His Feet" is proof that audiences still want to hear what they have to say.

"We have been so excited with the response to the 25th anniversary tour that we knew we had to continue the party and celebrate 30 years since we made our first album. We had no idea that fans would be so enthusiastic and we are all a little gob-smacked that we can still play sold out shows to our fans and, awesomely enough, their kids," says original member Ellen Reid.

Their 2022 tour will see them tour North America and Europe, where fans have been anxiously waiting. The shows will include hits and fan favourites from the band's vast catalogue. Original members Brad Roberts, Ellen Reid, Dan Roberts, and Mitch Dorge will be joined onstage by Stuart Cameron and Marc Arnould.

“After a long absence from the road, Crash Test Dummies have begun to tour again. Not something I’d planned on, but surprisingly, at least to me, there are lots of people who, years later, still want to come and hear us. That people continue to return to see the band all these years later still stuns me. It’s very humbling. The folks that come out to these shows tell us their stories and there are many gems: many are very funny, some are very dark, and all are very personal. It’s very humbling, being in the confidence of so many people,” says lead singer/songwriter Brad Roberts.

THE MEN OF THE DEEPS: Christmas in the Mine

Date and Time: Sunday, November 26 07:00 pm

Address: 440 Locust St.

The Men of the Deeps is a choir of working and retired coal miners from the island of Cape Breton in Nova Scotia, Canada. Organized in 1966 as part of Cape Breton’s contribution to Canada’s Centennial Year (1967), the group’s inception was an effort by the people of Cape Breton to preserve in song some of the rich folklore of that island’s coal mining communities.

This upcoming holiday season, North America’s only coal miners chorus are preparing to take audiences on a journey like no other, touring their much-loved Christmas album, Christmas in the Mine.

A Christmas in the Mine live performance treats you to some of your favourite holiday tunes, sung in jolly miner

style, of course! Sprinkling in a story or two and some jokes for good measure, the choir aims to take show-goers underground, to share the experience of celebrating Christmas in a real Cape Breton coal mine, with real Cape Breton coal miners. Joining the world famous group, as they deliver their unique brand of holiday cheer, will be one of today's finest proponents of Cape Breton fiddle: the incomparable Colin Grant. Colin takes centre stage to feature his traditional, yet original, hard-drivin' tunes and energetic style.
