Honourable Michael S. Kerzner, Minister of the Solicitor General;
Honourable Rob Flack, Minister of Municipal Affairs and Housing;
Association of Municipalities of Ontario (AMO);
Mary ten Doeschate, Peterborough Police Services Board Chair; and
Councils of each of Ontario's municipalities.

Subject: Sustainable Funding for Police Services Request

The following resolution, adopted by City Council at its meeting held on November 3, 2025, is forwarded for your consideration.

Moved by Councillor Crowley
Seconded by Councillor Vassiliadis

Whereas municipalities across Ontario are required to maintain a police service; and

Whereas municipalities across Ontario are required to constitute a municipal board to have policing responsibility for the municipality, or enter into a written agreement for an alternate provision of policing services; and

Whereas the City of Peterborough has constituted a municipal board; and

Whereas municipalities, across Ontario, with a police service board, are required to “ensure adequate and effective policing is provided in the area for which they have policing responsibility in accordance with the needs of the population in the area and having regard for the diversity of the population in the area” and

Whereas police service boards within municipalities where court proceedings are conducted are required to ensure the security of judges, other judicial officials, members of the public participating in court proceedings, ensuing the secure

custody of persons in custody who are on or about the premises, including persons taken into custody at proceedings; and

Whereas the provision of court security is not part of providing adequate and effective policing; and

Whereas the cost of providing court security is a cost of the municipality, regardless of whether all matters originate within that municipality; and

Whereas municipalities across Ontario are required to have and maintain critical infrastructure, including appropriate police facilities and equipment, to ensure adequate and effective policing is provided; and

Whereas municipalities across Ontario are experiencing increased police operating and capital costs directly related to new compliance and operational standards required under the Community Safety and Policing Act, 2019; and

Whereas these cost increases stem from provincially mandated requirements — including training, certification, technology, reporting, and staffing obligations — necessary to bring local police services into compliance with the Act; and

Whereas municipalities have no discretion in implementing these measures and limited ability to absorb the resulting financial pressures within existing budgets; and

Whereas policing is a provincially legislated responsibility, yet municipalities are bearing the brunt of the costs to implement provincial mandates;

Therefore, be it resolved that:

Council request that the Province of Ontario provide targeted financial assistance to municipalities to offset any additional costs that are directly and demonstrably incurred as a result of compliance with the Community Safety and Policing Act, 2019, and not general increases to police budgets; and

Therefore, be it further resolved that:

Council urge the Province of Ontario to review and reform its current police grant programs to ensure a more equitable distribution of funding to municipalities so that communities with growing populations and expanding service demands receive fair and sustainable provincial support; and

Therefore, be it further resolved that:

Council request that the Province of Ontario provide stable sustainable funding to offset costs associated with the provision of providing court security services; and

City of
Peterborough

That this resolution be forwarded to the Premier of Ontario, the Minister of the Solicitor General, the Minister of Municipal Affairs and Housing, the Association of Municipalities of Ontario (AMO), the Peterborough Police Services Board Chair, and all Ontario municipalities for endorsement.

Dear Prime Minister

Re: Support for the City of Welland's Call to Action for Justice and Protection of Canada's Children

At their Regular Meeting of Council on January 15, 2026, the Council of the Town of Aylmer endorsed the following resolution:

Whereas the Town of Aylmer supports the City of Welland's call to action for justice and protection of Canada's children; and,

Whereas the safety and well-being of children is a fundamental responsibility shared by all levels of government; and,

Whereas recent incidents involving sexual offences against children have deeply affected communities across Ontario and Canada, raising serious concerns about public safety and the adequacy of existing legislative protections; and,

Whereas violent sexual crimes against children represent some of the most serious offences under the Criminal Code of Canada and have lifelong impacts on victims, families, and communities; and,

Whereas municipalities play a critical role in advocating for policies that protect residents and promote safe communities; and,

Whereas there is a growing concern that gaps in bail, sentencing, parole eligibility, and offender monitoring allow high-risk individuals to re-enter communities pre-maturely, placing children at continued risk;

Now therefore be it resolved that the Council of the Town of Aylmer formally urges all levels of government to review and strengthen legislation and policies related to violent and sexual offences against children, including but not limited to:

1. **Bail and Sentencing Provisions** - ensuring that individuals charged with or convicted of violent sexual offences against children are subject to the strictest possible bail conditions and sentencing outcomes that reflect the severity of these crimes;
2. **Parole and Early Release** - limiting parole eligibility, statutory release, or other forms of early release for offenders convicted of sexual offences against children who pose ongoing risks to public safety;
3. **Sex Offender Monitoring** - strengthening the National Sex Offender Registry and related provincial tools to improve accuracy, enforcement, and timely access to information for law enforcement; and
4. **Victim and Community Safety** - prioritizing the protection of children and community safety within the justice system above administrative or procedural efficiencies;

And be it further resolved that copies of this resolution be forwarded to:

The Premier of Ontario
The Attorney General of Ontario
The Solicitor General of Ontario
The Prime Minister of Canada
The Minister of Justice and Attorney General of Canada
Member of Provincial Parliament, Rob Flack
Member of Parliament, Andrew Lawton
The Federation of Canadian Municipalities (FCM) and;
All 444 Ontario Municipalities

And be it further resolved that Council encourages municipalities to adopt similar resolutions to work collaboratively to present a unified municipal voice advocating for stronger protections for children across Canada.

Subject: A Call to Action: Standing Together for Justice and the Protection of Canada's Children

Dear Fellow Mayors,

I write to you today not only as the Mayor of Welland, but as a member of a community that has been deeply shaken by an unthinkable act in August 2025: the brutal sexual assault of a three-year-old child. This tragedy has horrified our residents, leaving families in grief and disbelief, and compelling us as leaders to confront the uncomfortable truth that our justice system is failing to adequately protect our most vulnerable.

While no policy can erase the trauma this child and their family will endure, we have a moral obligation to act. This moment demands leadership from all of us, to raise our collective voices and ensure that meaningful reform takes place.

I urge you to join me in calling on provincial and federal governments to take immediate and decisive action by advancing the following measures:

- The full and expedited implementation of recent federal bail and sentencing reforms, so that new provisions designed to protect the public—particularly victims of violent sexual crimes—are applied swiftly and consistently across all jurisdictions.
- Strengthening bail and sentencing provisions so that individuals charged with, or convicted of, violent sexual crimes face the strictest possible conditions, including limits on early release in cases of extreme brutality.
- That parole eligibility for sexual offences against children reflects the full gravity of these crimes, limiting conditional or early release for offenders who pose ongoing risks to community safety.
- Strengthening the National Sex Offender Registry, providing communities and police with timely, accurate information and effective tools to safeguard residents.

Canadians must be able to trust that our justice system prioritizes public safety—especially the safety of children—above all else. Communities like ours cannot bear the weight of knowing that legislative gaps may allow dangerous offenders to harm again.

I am calling on you, my colleagues in municipalities across Canada, to:

1. Pass council resolutions urging your respective provincial governments to review and strengthen laws protecting children from violent offenders.
2. Collaborate through FCM and provincial municipal associations to bring a united municipal voice to Ottawa and all legislatures across the country, advocating for the timely implementation and continued enhancement of justice reforms.
3. Engage your local MPs, MPPs/MLAs, and their governments to advocate for continued legislative and judicial reform.

4. Support awareness and prevention efforts within your communities to reinforce the safety and well-being of every child.

Together, we can create a wave of leadership that demands justice and refuses complacency. The protection of children transcends politics and geography; it is a shared duty that defines who we are as a nation.

Thank you for standing with us in this urgent cause. I would welcome the opportunity to coordinate efforts with you and your councils to move this national call forward.

With respect and solidarity,

Frank Campion

The Honourable Prabmeet Sarkaria

Minister of Transportation, Province of Ontario

Re: Municipal Support for School Bus Safety and Stop-Arm Camera Systems

Dear Premier Ford and Minister Sarkaria,

On behalf of the Municipality of Larder Lake, I am writing to express our strong support for enhanced school bus safety measures across Ontario, including the implementation of school bus stop-arm camera systems and other child-safety technologies.

Illegal passing of stopped school buses remains a serious and widespread issue throughout the province, occurring an estimated 30,000 times per day. These violations place children at unacceptable risk and continue to result in preventable injuries and fatalities. Municipalities require effective, modern enforcement tools to address this dangerous behaviour.

The Municipality of Larder Lake supports provincial investment in and expansion of school bus stop-arm camera systems under Part XIV.3 (School Bus Camera Systems) of the *Highway Traffic Act*. These systems have demonstrated success in deterring illegal passing, improving driver compliance, and strengthening accountability. Provincial funding and implementation support would help ensure municipalities of all sizes can deploy this technology equitably.

We also support the Let's Remember Adam – Stop for the School Bus campaign, launched in memory of Adam Ranger, a five-year-old child who tragically lost his life when a driver failed to stop for a school bus displaying its flashing lights and stop arm. This tragedy highlights the urgent need for continued public education, enforcement, and the use of technology to better protect children travelling to and from school.

We respectfully call on the Province of Ontario to provide municipalities with the necessary funding tools, legislative support, and implementation guidance to advance school bus stop-arm camera systems and complementary child-safety initiatives across Ontario.

Protecting children on our roads is a shared responsibility. Through strong provincial leadership and municipal partnership, meaningful progress can be made to prevent further tragedies and enhance road safety for families across Ontario.

Thank you for your attention to this important matter.

Sincerely,

Dear Leaders,

On behalf of the OPP Detachment Board – James Bay East I am pleased to offer this letter in strong support of Victim Crisis Assistance Ontario (VCAO) agencies across the province and the development of a coordinated Provincial Bail Notification Program.

VCAO organizations are essential partners in community safety and well-being. They provide immediate, trauma-informed support to individuals and families affected by crime and tragic circumstances, often at the most vulnerable moments in their lives. Their staff and volunteers work closely with police services to ensure survivors receive timely safety planning, crisis intervention, and connections to critical supports. This partnership enhances our ability to respond effectively, reduces risk, and strengthens trust with those we serve.

Timely and reliable bail notification is a vital component of victim safety. The current system is inconsistent across jurisdictions and leaves survivors at risk when they are not informed of release conditions or bail decisions that may impact their safety planning. A province-wide bail notification program, led in partnership with VCAO agencies, will ensure victims receive clear, coordinated, and rapid notification, regardless of where the offence occurred or where the accused is released. This is not only a matter of safety but also an essential part of ensuring victims' rights, dignity, and confidence in the justice system.

The OPP Detachment Board- James Bay East fully supports:

1. Strengthened investment in VCAO agencies, recognizing them as critical frontline partners in community safety and in supporting survivors of crime.

2. A standardized, province-wide bail notification system, designed in partnership with police services, VCAOs, and justice partners to promote timely communication, reduce risk, and improve outcomes for victims.
3. Ongoing collaboration between police and VCAO, including shared training, coordinated response models, and information pathways that improve both public safety and victim care.

VCAO agencies deliver high-quality services that directly complement police response. A provincial bail notification program will further enhance our collective ability to keep communities safe and uphold the rights of survivors. We urge the Government of Ontario to move forward with the development, implementation, and sustainable funding of this program.

Thank you for your consideration. The OPP Detachment Board-James Bay East is committed to working collaboratively and constructively with our VCAO partners and with provincial ministries to support this important and urgently needed initiative.

Yours truly,

OPP DETACHMENT BOARD-JAMES BAY EAST

Dear Prime Minister:

Re: Support Resolution

On behalf of the Council of the Township of Nairn and Hyman, I am writing to formally convey Council's support for recent federal measures aimed at stabilizing and strengthening Canada's steel and softwood lumber sectors.

As a small Northern Ontario municipality whose economy is closely tied to the continued operation of Interfor, a local softwood lumber mill, Council is increasingly concerned that ongoing trade pressures and market uncertainty are placing added strain on the long-term viability of this key employer. Any reduction in operations or a potential closure would have significant and lasting consequences for local employment, municipal revenues, and the overall economic and social wellbeing of our community.

In this context, and in response to the Federation of Northern Ontario Municipalities' November 26, 2025 media release, Council adopted the enclosed resolution at their meeting of December 8, 2025:

SUPPORT FOR STEEL AND LUMBER SECTORS

RESOLUTION # 2025-14-247

MOVED BY: Karen Richter

SECONDED BY: Wayne Austin

WHEREAS the Federation of Northern Ontario Municipalities (FONOM) has issued a media release dated November 26, 2025, welcoming the Government of Canada's new measures to support the steel and softwood lumber sectors in response to ongoing U.S. tariff pressures; and

WHEREAS the federal actions—including strengthened protections for domestic producers, expanded financial supports, and increased incentives to utilize Canadian steel and lumber in federal infrastructure and housing projects—represent important steps in stabilizing industries that are vital to Northern Ontario's economy; and

WHEREAS municipalities across the North continue to experience the economic impacts of industry closures, including the recent shutdown of Domtar a pulp and paper mill in the neighboring Town of Espanola, which has demonstrated the vulnerability of resource-dependent communities and the need for coordinated intergovernmental support; and

WHEREAS the Township of Naim and Hyman recognizes the significant role of Interfor, our local soft-wood lumber mill, as a major employer and economic anchor in our region, and further recognizes that any threat to its continued operation would have devastating consequences for workers, families, and local businesses; and
WHEREAS the Province of Ontario has a shared responsibility to ensure the long-term sustainability of the forestry, lumber, and steel sectors, which are foundational to the economic wellbeing of Northern and rural communities;
NOW THEREFORE BE IT RESOLVED THAT Council of the Township of Naim and Hyman commends the Government of Canada for its leadership and for implementing substantial measures to support Canada's steel and softwood lumber industries during this period of trade volatility; and
BE IT FURTHER RESOLVED THAT Council respectfully urges the Government of Ontario to introduce additional financial, regulatory, and policy-based supports to ensure that Ontario's steel, forestry, and lumber sectors remain competitive, resilient, and able to withstand ongoing international trade pressures; and
BE IT FURTHER RESOLVED THAT Council specifically calls upon the Province of Ontario to work directly with industry stakeholders, including municipalities and major employers such as Interfor, to create programs and investments that will help protect jobs, maintain production capacity, and support long-term industry growth in Northern Ontario; and
BE IT FINALLY RESOLVED THAT a copy of this resolution be forwarded to the Prime Minister of Canada, the Premier of Ontario, the Minister of Natural Resources and Forestry, the Minister of Northern Development, FONOM, MP Jim Belanger, MPP Bill Rosenberg and all Ontario Municipalities.

FOR IMMEDIATE RELEASE

November 26, 2025

FONOM Welcomes Federal Support for Steel and Lumber Sectors Impacted by U.S. Tariffs

Northeastern Ontario – The Federation of Northern Ontario Municipalities (FONOM) welcomes today’s announcement by Prime Minister Mark Carney outlining new federal measures to support Canada’s steel and softwood lumber industries, which continue to face unprecedented challenges due to aggressive U.S. tariff actions.

The federal plan includes strengthened protections for domestic producers, expanded financial supports for companies facing liquidity pressures, and new incentives to increase the use of Canadian steel and lumber in national infrastructure and housing projects. These measures aim to stabilize sectors vital to the economies of many Northern Ontario communities.

Prime Minister Carney announced that Canada will significantly tighten tariff-rate quotas on foreign steel imports, opening an estimated \$850 million in domestic demand for Canadian producers. In addition, the federal government is allocating \$500 million in new financing for softwood lumber firms, paired with a further \$500 million expansion of the Business Development Bank of Canada’s softwood guarantee program.

FONOM is encouraged by the federal government’s recognition of the pressures facing Northern resource-based communities, where steel and lumber operations support thousands of jobs and anchor local economies.

“These measures acknowledge what Northern Ontario has long understood — that our steel and lumber sectors are national economic pillars,” said FONOM President Dave Plourde **“U.S. tariffs continue to destabilize communities across the North, and today’s announcement provides needed tools to help our workers and industries adapt, compete, and grow.”**

FONOM also welcomes the federal commitment to reduce interprovincial freight rates by 50 per cent for steel and lumber shipments beginning next spring. Lower transportation costs will help Northern producers access new domestic markets and move product efficiently while north-south trade remains constrained.

As part of the plan, the federal government will also advance the Buy Canadian Policy, ensuring that major defence, construction, and infrastructure projects prioritize Canadian steel, aluminum,

and wood products. This aligns strongly with FONOM's longstanding advocacy for procurement policies that support Canadian jobs and supply chains.

"Keeping Canadian dollars working in Canada is essential," added the President. "These steps will create new demand for made-in-Canada materials while helping stabilize communities affected by unpredictable U.S. trade actions."

FONOM looks forward to continued collaboration with federal officials to ensure the timely rollout of these programs, and to ensure that Northern Ontario municipalities and industries can fully benefit from the measures announced today.

WHEREAS the Township of Edwardsburgh Cardinal acknowledges that municipal infrastructure—roads, bridges, water and wastewater systems—underpins public safety, economic vitality and quality of life in Ontario’s rural and small urban communities;

WHEREAS the Ontario Community Infrastructure Fund (OCIF) was created in 2015 to assist small and rural municipalities facing infrastructure deficits that exceed their local revenue capacities;

WHEREAS in 2022 the Government of Ontario committed to increase the annual OCIF envelope from \$100 million to \$400 million over a five-year term, with that commitment scheduled to expire at the end of fiscal 2026;

WHEREAS fixed funding levels amid rising labour, materials and climate resilience costs have eroded the purchasing power of the \$400 million envelope, jeopardizing municipalities’ ability to deliver and sustain essential services without incurring unsustainable debt;

WHEREAS predictable, multi-year funding indexed to real-world cost drivers is critical for municipalities to develop, finance and execute long-term asset management plans, reduce emergency repairs and leverage complementary federal and private infrastructure financing;

WHEREAS the Township of Edwardsburgh Cardinal requires a steadfast provincial partner to extend and enhance OCIF beyond 2026, ensuring infrastructure resilience, fiscal sustainability and equitable access for all small and rural municipalities;

NOW THEREFORE BE IT RESOLVED THAT

1. The Township of Edwardsburgh Cardinal calls upon the Government of Ontario to extend the annual OCIF envelope at not less than \$400 million beyond its current five-year term ending in 2026, with no reductions in subsequent provincial budgets.
2. The Province be requested to index the total annual OCIF envelope—and each individual municipal allocation—to the Ontario Consumer Price Index (CPI), calculated on a calendar-year basis and disbursed in the first quarter of each fiscal year.
3. The Ministry of Infrastructure establish a new five-year OCIF funding framework that guarantees annual envelopes and allocation percentages by municipality, enabling long-term capital planning and stable cash-flow management.
4. The Province undertake a formal review of the OCIF allocation formula at least once every four years, incorporating current municipal asset management data,

5. A dedicated contingency reserve equal to 5 percent of the annual OCIF envelope be created within the fund to address extraordinary cost escalations, emergency repairs or project overruns without reallocating core funding.

The Honourable Doug Ford
Premier of Ontario

The Honourable Prabmeet Sarkaria
Minister of Transportation Province of Ontario

Re: Municipal Support for School Bus Safety and Stop-Arm Camera Systems

Dear Premier Ford and Minister Sarkaria,

On behalf of the Town of Parry Sound, I am writing to express our strong support for enhanced school bus safety measures across Ontario, including the implementation of school bus stop-arm camera systems and other child-safety technologies.

Illegal passing of stopped school buses remains a serious and widespread issue throughout the province, occurring an estimated 30,000 times per day. These violations place children at unacceptable risk and continue to result in preventable injuries and fatalities. Municipalities require effective, modern enforcement tools to address this dangerous behaviour.

The Town of Parry Sound supports provincial investment in and expansion of school bus stop-arm camera systems under Part XIV.3 (School Bus Camera Systems) of the *Highway Traffic Act*. These systems have demonstrated success in deterring illegal passing, improving driver compliance, and strengthening accountability. Provincial funding and implementation support would help ensure municipalities of all sizes can deploy this technology equitably.

We also support the Let's Remember Adam – Stop for the School Bus campaign, launched in memory of Adam Ranger, a five-year-old child who tragically lost his life when a driver failed to stop for a school bus displaying its flashing lights and stop arm. This tragedy highlights the urgent need for continued public education, enforcement, and the use of technology to better protect children travelling to and from school.

...2

We respectfully call on the Province of Ontario to provide municipalities with the necessary funding tools, legislative support, and implementation guidance to advance school bus stop-arm camera systems and complementary child-safety initiatives across Ontario.

Protecting children on our roads is a shared responsibility. Through strong provincial leadership and municipal partnership, meaningful progress can be made to prevent further tragedies and enhance road safety for families across Ontario.

Thank you for your attention to this important matter.

Sincerely,

The Regional Municipality of Halton

The following resolution was approved by Regional Council at its meeting held on Wednesday, February 18, 2026.

OMERS Governance Changes Under Bill 68

WHEREAS the Ontario Municipal Employees Retirement System (OMERS) Pension Fund serves over 1,000 employers and over half a million employees and retirees from diverse groups including: municipal governments, school boards, libraries, police and fire departments, children's aid societies, and electricity distribution companies;

AND WHEREAS the long-standing jointly-sponsored governance model with two corporate boards has provided stability, accountability, and fairness for both plan members and employers for more than two decades;

AND WHEREAS the Provincial Government has passed legislative changes through Bill 68, *Plan to Protect Ontario Act (Budget Measures), 2025 (No. 2)* which creates a framework for changes to the OMERS governance structure;

AND WHEREAS these changes would replace the current OMERS Sponsors Corporation with a new Sponsors Council that would lose its corporate status and independent resources;

AND WHEREAS the proposed model could allow pension decisions affecting municipal employers and employees to be made with less municipal representation and oversight, increasing financial risk for municipalities and local taxpayers;

AND WHEREAS municipalities are already under significant financial strain and cannot absorb additional pension costs without potential impacts to property taxes or local services;

AND WHEREAS as a participating municipal employer in OMERS, governance changes may lead to long-term municipal budget impacts through higher contribution rates and benefit decisions.

NOW THEREFORE BE IT RESOLVED:

THAT Halton Regional Council requests that the Provincial Government reconsider proceeding with the legislative changes to the OMERS Act contained in Bill 68;

THAT Halton Regional Council supports the Association of Municipalities of Ontario (AMO) in calling on the Provincial Government to maintain the current OMERS governance model, with two corporate Boards, as the structure that would best deliver on the long-term interests of municipalities, taxpayers, and employees;

AND THAT a copy of this resolution be sent to the Minister of Municipal Affairs and Housing, the Minister of Finance, Halton's MPPs, Halton's Local Municipalities and the Association of Municipalities of Ontario (AMO).
