Memo Details

This memo provides an update on the Burlington Arts and Culture Grant program, including successful projects and funding allocation for 2026.

Background:

Approved by Council in 2017 with Report PB-58-17, the Burlington Arts and Culture Grant (BACG) provides support to local artists, multicultural groups, and arts and culture organizations to foster creativity and enrich how Burlington residents experience and engage with arts and culture.

Since 2018, the BACG has provided \$573,343 to support the creation of 136 arts and cultural projects across the city. This investment has played a meaningful role in strengthening Burlington's cultural sector, supporting emerging and established artists, cultural professionals, and multicultural groups, while contributing to a vibrant, inclusive community.

Details:

The 2026 BACG accepted applications from January 5 to February 2, 2026. The program received 29 applications with a total funding request of \$180,557. Applications were evaluated by a peer assessment jury and internal staff, based on program and artistic merit, inclusion, community impact, and project delivery. Peer assessment jury members included: Lana Button, Alexander Chorny, Dianne Pearce, Quintin Teszeri, and Hayley Verrall (Jury Chair).

A total of \$75,000 was awarded to 15 projects, reflecting a range of disciplines and a balance of geographic and cultural representation across the city.

Grant support emerged as one of the key themes identified through community engagement for the Culture Plan. In parallel with the recently approved Community Investment Policy, staff are actively exploring opportunities to strengthen and enhance support to the community.

SUBJECT: Environmental Registry of Ontario (ERO) Postings Update

TO: Council Information Package

FROM: Development and Growth Management
Community Planning

Report Number: DGM-32-26

Wards Affected: All

Date to Committee: April 13, 2026

Date to Council: April 21, 2026

CIP Date: 4/10/2026

Purpose

On March 30, 2026, the Province of Ontario introduced [Bill 98 Building Homes and Improving Transportation Infrastructure Act, 2026](#). The elements of Bill 98 were posted to the Environmental Registry of Ontario (ERO) for consultation for a 30 day or 45 day period respectively. The purpose of this memo is to provide Council with a summary of the Environmental Registry of Ontario (ERO) postings proposing major changes to Ontario's planning framework. The proposed Bill proposes changes to nearly every part of the development process, including but not limited to, policy related to: Official Plans, Site Plan Control, parkland dedication, complete application requirements, communal servicing, minimum lot sizes, digital submissions, and the Parkway Belt West Plan. The table below provides a high-level overview of each of the postings to the ERO. Staff will review each ERO posting in detail and will report back with more comprehensive analysis and comments.

Memo Details

The following tables provide a high-level summary of each ERO posting, including brief staff comments.

GENERAL

ERO Posting	Summary	Implications
<p><u>ERO# 026-0300</u></p> <p>Proposed changes to: Planning Act, City of Toronto Act, 2006, Building Code Act, 1992 and Municipal Act, 2001 Changes (Schedules 1, 2 and 7 of Bill 98, the Building Homes and Improving Transportation Infrastructure Act, 2026)</p> <p>Comments Due: April 29, 2026</p>	<p>Consultation on changes proposed under Bill 98 (Schedules 1, 2 and 7). If passed, proposed changes include:</p> <ul style="list-style-type: none"> • Streamlining and Standardizing Official Plans • Complementary Changes to Support Implementation of Streamlining and Standardizing Official Plans • Site Plan: Prohibit Mandatory Municipal Enhanced Development Standards and Green Building Standards • Setting minimum Lot Sizes on parcels of urban residential land outside the Greenbelt Area • Removing legislative requirements related to Minister’s Zoning Orders • Removing Simcoe County’s planning responsibilities, • Allowing encumbered parkland and privately owned public spaces (POPS) to count towards parkland dedication requirement 	<ul style="list-style-type: none"> • From October 23 to November 22, 2025, the Province of Ontario consulted on simplifying and standardizing official plans through <u>ERO 025-1099</u>. The province was seeking feedback to simplify, standardize and make more permissive municipal official plans that were shorter, easier to understand and consistent across Ontario. The ERO identified a series of discussion questions relating to the proposal for a standard chapter table of contents for Official Plans, a limit to the length of official plans to a set page limit and creating permissive land use designations. • Through <u>DGM-103-25</u>, staff provided <u>comments on ERO 025-1099</u>, generally supporting the intent to improve clarity, consistency and efficiency in land use planning, however noted that a standardization of Official Plans and set page limits will negatively impact the ability to reflect and incorporate local vision and context into policy. • As noted through Report <u>DGM-63-25, Evolving the targeted realignment workplan</u>, staff were already exploring a made in Burlington approach to evolve and streamline BOP, 2020 utilizing innovative technology that is representative of the community and Council’s vision for the City’s Official Plan and will continue to do so in future phases of work. • Staff have also provided <u>comments on ERO 019-6172</u> regarding

		<p>parkland dedication on encumbered land, cautioning that it may limit design and quality of public spaces, as well as availability due to repairs in underground infrastructure.</p>
<p><u>ERO# 026-0309</u></p> <p>Proposed Regulation to Prohibit Mandatory Enhanced Development Standards as a Condition of Land Division Approvals</p> <p>Comments Due: May 14, 2026</p>	<p>Proposed Minister’s regulation that would have the effect of removing authority to require, as a condition of land division approvals, mandatory enhanced development standards at the lot level (outside of buildings - i.e. green development standards), that are not specifically required for health, safety, accessibility or protection of adjoining lands (e.g., stormwater management).</p> <p>If passed, it would involve changes to the: Planning Act, Municipal Act, Building Code Act, and City of Toronto Act.</p>	<p>This may have implications on the City’s Official Plan Policies and Zoning By-law regulations and implementation practices.</p>

Proposed Changes to Various Regulations Under the Planning Act to Facilitate the Electronic Submission of Information and Materials to Approval Authorities and Allow Notices to be Given Electronically to the Province

Comments Due:
May 14, 2026

To support the government’s move towards building a digital Ontario:

- remove the requirement for information and material to include an original or certified copy, and
- allow required notices to be given electronically to the Ministry of Municipal Affairs and Housing.

Affecting the following regulations:

- O. Reg. 543/06: Official plans and plan amendments
- O. Reg. 545/06: Zoning by-laws, holding by-laws and interim control by-laws
- O. Reg. 544/06: Plans of subdivision
- O. Reg. 197/96: Consent applications

The proposed changes may impact the City’s information communication practices.

In addition to the ERO postings summarized above, staff note that several other provincial initiatives and regulatory changes are also underway; the following table provides a brief overview of these additional items for Council's awareness:

ADDITIONAL CHANGES		
Posting	Summary	Staff Comments
<p><u>Proposal # 26-MMAH010</u></p> <p>Proposed amendments to the Municipal Act, 2001, and Municipal Elections Act, 1996 to strengthen upper-tier municipal governance</p>	<p>The government is proposing to amend the Municipal Act, 2001 and Municipal Elections Act, 1996 that would change the governance structure for several upper tier municipalities.</p> <p>The proposal provides the Minister authority to appoint and remove the head of council for seven regional municipalities and Simcoe County beginning with the 2026 - 2030 term.</p> <p>The amendments also set new council compositions for Simcoe County and Niagara Region and provide regulation - making</p>	<ul style="list-style-type: none"> Staff note that the proposed amendments would significantly change upper-tier governance structures by giving the Minister authority to appoint and remove Regional Chairs beginning in 2026. <p>Comments Due: May 02, 2026</p>	<p>authority for weighted voting rules at the upper- tier level.</p> <p>If passed, these changes would take effect on November 15, 2026, when the new council term begins.</p>	
<p><u>The Canada-Ontario Partnership to Build</u></p>	<p>A number of co-operative initiatives are being undertaken by the governments of Ontario and Canada to build housing and infrastructure, of note:</p> <p>Development Charges Reduction:</p> <ul style="list-style-type: none"> • Federal and Provincial governments will jointly provide \$8.8B over 10 years for housing- enabling infrastructure. • Funding will be prioritized for municipalities that reduce residential DCs by 30–50% for three years. • The intent is to offset municipal revenue losses from DC reductions while supporting faster housing delivery. • Municipalities must submit ready- to- build infrastructure projects to access funding. • Ontario will not introduce new taxes that hinder housing supply for three years. • A list of priority municipalities will be identified where DCs are considered cost- prohibitive. 	<ul style="list-style-type: none"> • At the time of writing this memo, the details of this program have yet to be released. • Staff have acknowledged this announcement in the report - <u>DGM-27-26 Draft Housing Community Improvement Plan Amendment</u> noting that further clarity would be required to assess municipal impacts. • Staff will continue to work to understand this new program once the details are available.

HST Rebate on New Homes:

- The federal government will provide \$875M to support removal of the full 13% HST on new homes up to \$1M.
- Temporarily removing the full 13% HST for eligible buyers of new homes valued up to \$1M (maximum rebate \$130,000). The \$130,000 rebate would be maintained for homes up to \$1.5M, then phase down proportionally to \$24,000 for homes valued at \$1.85M and above. This would strengthen the existing provincial HST New Housing Rebate and New Residential Rental Property Rebate for one year, from April 1, 2026, to March 31, 2027.
- Intended to improve affordability and stimulate additional housing starts.

Conclusion

Building on this high-level overview of Environmental Registry of Ontario (ERO) postings related to Bill 98, *Building Homes and Improving Transportation Infrastructure Act, 2026*, staff will continue to review each ERO posting in detail to create a comprehensive analysis, to be shared at a later date, and prepare comments for submission to the province.

SUBJECT: Housing Accelerator Fund (HAF) – Funding Increase for Missing Middle Design Catalogue Pilot

TO: Council Information Package

FROM: Development and Growth Management
Community Planning

Report Number: DGM-33-26

Wards Affected: All

Date to Committee: N/A

Date to Council: N/A

CIP Date: 4/10/2026

Purpose

The purpose of this memo is to provide Council with an update on additional Housing Accelerator Fund (HAF) funding received from the Canada Mortgage and Housing Corporation (CMHC), and a new initiative added to the City's Approved HAF Action Plan.

Funding Update

The City has received \$2,112,000 in additional HAF funding following CMHC's evaluation of the City's 2025 annual report, which included an opportunity for municipalities meeting their HAF commitments to propose new eligible initiatives for funding.

This funding will support Burlington's CMHC Missing Middle Design Catalogue Pilot as selected by CMHC as a new initiative for Burlington, with a target of 66 missing middle housing units, to be implemented between April 1, 2026, and December 31, 2026.

Missing Middle Housing

Missing middle housing refers to ground orientated housing including additional residential units, rowhouses and multi-unit buildings less than four storeys.

Policy Context

This initiative builds on the City's new residential zoning by-laws, which are intended to:

- Enable development

- Increase housing options in neighbourhoods
- Provide a more user-friendly and flexible regulatory framework

Design Catalogue

The city will promote the CMHC Housing Design Catalogue. This will support identifying and advancing housing designs that align with Burlington's zoning framework.

Program Intent

The intent of the pilot is to:

- Streamline the planning and building approval process
- Reduce upfront design uncertainty
- Improve clarity and consistency
- Enable more efficient progression through zoning confirmation and building permit stages

This will be done all while maintaining compliance with the Zoning By-law and Ontario Building Code.

Key Milestones (by December 31, 2026)

1. Zoning Review: Review CMHC design catalogue concepts to assess alignment with the City of Burlington's new residential zoning by-law and identify which designs may be permitted as-of-right or with minor variation.
2. Building Services Pre-Review: Conduct a high-level pre-review of selected designs with the Building Services team to identify key Ontario Building Code considerations and streamline future permit readiness.
3. Communications and Program Launch: Develop and implement a communications program to promote the use of CMHC catalogue designs in Burlington.

Expected Outcome

This work is expected to support increased uptake of missing middle housing and improve efficiency in the development approvals process.

Next Steps

Staff will proceed with implementation immediately and will report back through future HAF updates as appropriate including the Pipeline to Permit Committee.

MISSISSAUGA

RESOLUTION 0060-2026
adopted by the Council of
The Corporation of the City of Mississauga
at its meeting on April 1, 2026

0060-2026 Moved by: Councillor B. Butt

Seconded by: Councillor S. McFadden

WHEREAS locally elected school board trustees provide essential community representation and ensure accountability within Ontario's education system;

AND WHEREAS the City of Mississauga relies on dedicated trustee representation to reflect local priorities and advocate for the success of students across our diverse communities;

AND WHEREAS recent provincial supervision of the Peel District School Board and the Dufferin-Peel Catholic District School Board, alongside proposed governance changes, raises concerns regarding the future of local democratic accountability;

AND WHEREAS maintaining direct, elected representation is critical to ensuring that Mississauga's unique geographic and growth needs are reflected in education decision-making;

THEREFORE BE IT RESOLVED THAT:

1. Mississauga Council affirms its strong support for maintaining democratically elected school board trustees for both the Peel District School Board and the Dufferin-Peel Catholic District School Board;
2. Council formally recognizes the vital role of locally elected trustee representation for Mississauga and supports the continuation of meaningful, locally accountable representation;
3. The Province of Ontario be requested to pause any legislative or regulatory changes that would reduce or eliminate elected trustees until a transparent, province-wide consultation with municipalities, school boards, trustees, parents, students, educators and other education stakeholders is completed;
4. The City Clerk forward this resolution to the Premier of Ontario, the Minister of Education, all MPPs representing Mississauga, the Peel District School Board, the Dufferin-Peel Catholic District School Board, all MPPs representing Peel Region, and all Ontario municipalities to encourage collective advocacy for local democratic representation in education.

RE: Support for Enhanced School Bus Safety and the Implementation of Stop-Arm Camera Systems

Dear Premier Ford and Minister Sarkaria,

On behalf of the Grenville 1 O.P.P. Detachment Board, we are writing to express our strong support for enhanced school bus safety measures across Ontario, including the implementation of school bus stop-arm camera systems and other child-safety technologies.

Illegal passing of stopped school buses remains a persistent and dangerous problem in Ontario, occurring an estimated 30,000 times per day. These violations place children at serious risk and continue to result in preventable injuries and fatalities. Municipalities require additional tools to address this issue effectively and consistently.

The Grenville 1 O.P.P. Detachment Board supports provincial investment in and expansion of school bus stop-arm camera systems under Part XIV.3 (School Bus Camera Systems) of the Highway Traffic Act. These systems have proven effective in deterring dangerous driving behaviour, improving compliance, and enhancing accountability. Provincial funding and support would enable municipalities to implement these technologies equitably and at scale.

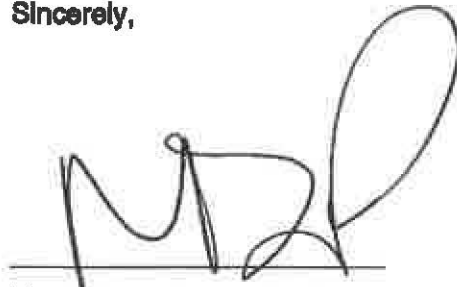

Grenville 1 O.P.P. Detachment Board also proudly supports the Let's Remember Adam – Stop for the School Bus campaign, launched in memory of Adam Ranger, a five-year-old child who tragically lost his life when a driver failed to stop for a school bus displaying its flashing lights and stop arm. Adam's story underscores the urgent need for stronger enforcement, public education, and modern safety solutions to protect children travelling to and from school.

We respectfully call on the Province of Ontario to continue advancing this life-saving work by providing municipalities with the funding mechanisms, legislative support, and implementation guidance necessary to deploy stop-arm cameras and complementary safety technologies province-wide.

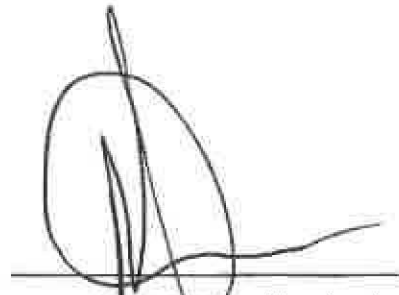

Protecting children is a shared responsibility. With provincial leadership and municipal partnership, we can take meaningful action to prevent further tragedies and ensure Ontario's roads are safer for students and families.

Thank you for your consideration and continued commitment to road safety.

Sincerely,

Dear Prime Minister

Re: Support for the City of Welland's Call to Action for Justice and Protection of Canada's Children

At their Regular Meeting of Council on January 15, 2026, the Council of the Town of Aylmer endorsed the following resolution:

Whereas the Town of Aylmer supports the City of Welland's call to action for justice and protection of Canada's children; and,

Whereas the safety and well-being of children is a fundamental responsibility shared by all levels of government; and,

Whereas recent incidents involving sexual offences against children have deeply affected communities across Ontario and Canada, raising serious concerns about public safety and the adequacy of existing legislative protections; and,

Whereas violent sexual crimes against children represent some of the most serious offences under the Criminal Code of Canada and have lifelong impacts on victims, families, and communities; and,

Whereas municipalities play a critical role in advocating for policies that protect residents and promote safe communities; and,

Whereas there is a growing concern that gaps in bail, sentencing, parole eligibility, and offender monitoring allow high-risk individuals to re-enter communities pre-maturely, placing children at continued risk;

Now therefore be it resolved that the Council of the Town of Aylmer formally urges all levels of government to review and strengthen legislation and policies related to violent and sexual offences against children, including but not limited to:

- 1. Bail and Sentencing Provisions - ensuring that individuals charged with or convicted of violent sexual offences against children are subject to the strictest possible bail conditions and sentencing outcomes that reflect the severity of these crimes;**
- 2. Parole and Early Release - limiting parole eligibility, statutory release, or other forms of early release for offenders convicted of sexual offences against children who pose ongoing risks to public safety;**
- 3. Sex Offender Monitoring - strengthening the National Sex Offender Registry and related provincial tools to improve accuracy, enforcement, and timely access to information for law enforcement; and**
- 4. Victim and Community Safety - prioritizing the protection of children and community safety within the justice system above administrative or procedural efficiencies;**

And be it further resolved that copies of this resolution be forwarded to:

The Premier of Ontario
The Attorney General of Ontario
The Solicitor General of Ontario
The Prime Minister of Canada
The Minister of Justice and Attorney General of Canada
Member of Provincial Parliament, Rob Flack
Member of Parliament, Andrew Lawton
The Federation of Canadian Municipalities (FCM) and;
All 444 Ontario Municipalities

And be it further resolved that Council encourages municipalities to adopt similar resolutions to work collaboratively to present a unified municipal voice advocating for stronger protections for children across Canada.

Subject: A Call to Action: Standing Together for Justice and the Protection of Canada's Children

Dear Fellow Mayors,

I write to you today not only as the Mayor of Welland, but as a member of a community that has been deeply shaken by an unthinkable act in August 2025: the brutal sexual assault of a three-year-old child. This tragedy has horrified our residents, leaving families in grief and disbelief, and compelling us as leaders to confront the uncomfortable truth that our justice system is failing to adequately protect our most vulnerable.

While no policy can erase the trauma this child and their family will endure, we have a moral obligation to act. This moment demands leadership from all of us, to raise our collective voices and ensure that meaningful reform takes place.

I urge you to join me in calling on provincial and federal governments to take immediate and decisive action by advancing the following measures:

- The full and expedited implementation of recent federal bail and sentencing reforms, so that new provisions designed to protect the public—particularly victims of violent sexual crimes—are applied swiftly and consistently across all jurisdictions.
- Strengthening bail and sentencing provisions so that individuals charged with, or convicted of, violent sexual crimes face the strictest possible conditions, including limits on early release in cases of extreme brutality.
- That parole eligibility for sexual offences against children reflects the full gravity of these crimes, limiting conditional or early release for offenders who pose ongoing risks to community safety.
- Strengthening the National Sex Offender Registry, providing communities and police with timely, accurate information and effective tools to safeguard residents.

Canadians must be able to trust that our justice system prioritizes public safety—especially the safety of children—above all else. Communities like ours cannot bear the weight of knowing that legislative gaps may allow dangerous offenders to harm again.

I am calling on you, my colleagues in municipalities across Canada, to:

1. Pass council resolutions urging your respective provincial governments to review and strengthen laws protecting children from violent offenders.
2. Collaborate through FCM and provincial municipal associations to bring a united municipal voice to Ottawa and all legislatures across the country, advocating for the timely implementation and continued enhancement of justice reforms.
3. Engage your local MPs, MPPs/MLAs, and their governments to advocate for continued legislative and judicial reform.

4. Support awareness and prevention efforts within your communities to reinforce the safety and well-being of every child.

Together, we can create a wave of leadership that demands justice and refuses complacency. The protection of children transcends politics and geography; it is a shared duty that defines who we are as a nation.

Thank you for standing with us in this urgent cause. I would welcome the opportunity to coordinate efforts with you and your councils to move this national call forward.

With respect and solidarity,

Frank Campion

Resolution No. 144
Title: City of Sarnia - Bill 9
Date: Tuesday, April 7, 2026

Moved by Councillor J. Flieler
Seconded by Councillor J. Palmateer

BE IT RESOLVED THAT Council supports the concerns raised regarding Bill 9, *Strengthening Municipal Accountability and Public Trust*, particularly the need for a more effective and impartial mechanism to address serious misconduct by members of council;
AND FURTHER THAT Council directs staff to forward correspondence of support to the Premier of Ontario, the Minister of Municipal Affairs and Housing, the local MPP, AMO, and Ontario municipalities.

Re: Time-Sensitive: Strengthening Municipal Accountability and Public Trust (Bill 9)

Dear Premier Ford,

When we met in Sarnia last August, we discussed Bill 9 and its intent to strengthen municipal accountability. At that time, I affirmed my support for the province's effort to move this legislation forward. The fundamental principles of Bill 9 are sound and provide an important foundation; however, the Bill requires a significant change before it becomes law.

The introduction of a standardized code of conduct and the proposed integrity commissioner reforms are positive and necessary steps forward. However, based on more than four decades of experience in municipal politics, I believe the Bill's greatest flaw lies in its mechanism for removing councillors in **serious cases of misconduct**. Requiring local councils to participate in the removal of a peer, particularly through unanimous agreement, places councils in an inappropriate and untenable position. On matters of serious contention, unanimity is rarely achievable, rendering the mechanism effectively futile. This approach undermines both fairness and public confidence and fails to provide municipalities with a meaningful ability to act in extreme cases.

In circumstances of this magnitude, decisions should not rest with a council. Instead, such matters should be heard and ruled upon by an independent, non-partisan authority, removed from local political dynamics and capable of making impartial determinations in the public's interest.

If the provincial government intends to maintain municipal councils' responsibility for adjudicating such decisions, the threshold for action must be revised. A two-thirds majority, or a simple majority of council excluding the subject member, would provide a more reasonable, fair, and workable standard.

This is a time-sensitive issue, and the need for action is becoming more urgent as municipalities continue to encounter situations they are powerless to address. Without meaningful change, the current conditions and lack of adequate protection will have a chilling effect on those considering public office at the municipal level. Capable, community-minded individuals may be discouraged from seeking election if there is no effective independent mechanism to address extreme misconduct, protect the integrity of council and the well-being of the community.

I am copying this letter to mayors and councils across Ontario in the hope that they will also raise their voices on this matter before the legislation is finalized, to ensure this serious flaw is addressed in what is otherwise an important and necessary piece of legislation for the Province of Ontario and its municipalities for the 2026-2030 council term of office.

Thank you for your consideration. I would welcome the opportunity to discuss these concerns and possible paths forward at your convenience.

Sincerely,

Dear Honorable Mark Carney:

Please be advised that Brantford City Council, at its meeting held December 16, 2025 adopted the following:

12.2.7 Call for Reform and Publication of the Ontario Sex Offender Registry - Councillor Samwell

WHEREAS the community of Welland and the surrounding communities were deeply impacted by a recent heinous crime that highlighted critical gaps in Canada's criminal justice and offender-management systems; and

WHEREAS on September 4, 2025, Mayor Frank Campion of the City of Welland wrote to the Premier of Ontario urging comprehensive reform to strengthen sentencing, parole, and bail provisions for violent sexual offenders, and to enhance public safety protections; and

WHEREAS on September 12, 2025, Mayor Mat Siscoe of the City of St. Catharines wrote to the Prime Minister of Canada expressing strong support for these reforms and calling for immediate federal action to strengthen sentencing, parole, and accountability measures for violent sexual offenders; and

WHEREAS the City of Thorold, at its meeting of September 9, 2025, adopted Resolution 14.2 requesting the Province of Ontario to amend Christopher's Law (Sexual Offenders Registry), 2000 to make Ontario Sex Offender Registry publicly accessible; and

WHEREAS several Niagara municipalities; including Grimsby, Fort Erie, Port Colborne, and St. Catherines have subsequently endorsed this call for greater transparency and reform; and

WHEREAS municipal councils, though not responsible for criminal law or parole, play a vital role in advocating for the safety and well-being of their residents;

NOW THEREFORE BE IT RESOLVED THAT:

- A. THAT the Council of the City of Brantford hereby supports the City of Thorold's Resolution calling for the Publication of the Sexual Offender Registry and the City of Welland's correspondence dated September 4, 2025, calling for reform to sentencing, parole, and registry provisions concerning violent sexual offenders; and
- B. THAT the Province of Ontario be urged to amend Christopher's Law (Sexual Offender Registry), 2000 to make the Ontario Sex Offender

Registry publicly accessible, subject to appropriate privacy and safety safeguards; and

C. THAT a copy of this resolution be forwarded to:

- i. The Right Hon. Mark Carney, Prime Minister of Canada;

Re: Request for Provincial Legislation Amendments, Health and Safety Concerns

Dear Minister Piccini,

At its meeting of Council on March 11, 2026, the Council of the Township of Oro-Medonte received correspondence from Association of Ontario Road Supervisors (AORS) regarding the above-mentioned request for support.

The Township of Oro-Medonte fully supports AORS in their request, as our staff have, on numerous occasions, been subjected to abusive and aggressive behaviour from members of the public. We respectfully request your support in advancing measures that will strengthen protections for municipal workers and contractors. With provincial partnership, municipalities can better safeguard the individuals who work tirelessly to maintain critical services and keep our communities functioning safely.

Sincerely,

Mayor Randy Greenlaw

Dear Minister Piccini,

On behalf of Ontario's municipal public works professionals, we are writing to raise an urgent health and safety concern that is increasingly placing municipal workers and subcontractors at risk while they maintain the critical infrastructure our communities rely on every day.

While the Occupational Health and Safety Act establishes important protections against workplace hazards, it does not adequately address a growing and very real threat: unsafe working conditions created by interference, harassment, and dangerous actions from members of the public.

Through consultations with AORS members across the province, we are hearing consistent and deeply troubling examples of escalating behaviour directed at municipal workers - particularly winter maintenance operators. These are not isolated incidents, but a pattern that is becoming increasingly normalized during significant weather events. Examples reported to AORS include:

- An individual throwing a large chunk of ice at an active piece of municipal equipment while it was operating.
- A resident threatening to kill a sidewalk plow operator.
- A man climbing onto a snow plow and refusing to get off until the operator agreed to plow his road next.
- Two municipal staff members being confronted, accosted, and aggressively yelled at in public - one at a gas station and another while simply standing in line for coffee - by individuals angry about road conditions that were not even under that municipality's jurisdiction, as well as a mailbox that had been struck.
- A voicemail left by a resident threatening to shoot a municipal plow driver with a shotgun the next time the street was plowed.
- A resident angry about snow at the end of their driveway jumping in front of an active plow and refusing to move. The plow was delayed for over an hour during a major snow event, placing service levels and the municipality's overall emergency response at risk. The situation was only resolved once supervisors and by-law officers arrived on scene.

These incidents represent only a small sample of what municipal plow drivers and winter maintenance crews are experiencing across Ontario. What was once limited to disgruntled complaints has escalated into direct threats, physical interference, and dangerous confrontations that place workers, subcontractors, and the public at risk. This issue is becoming a systematic threat to municipal service delivery and is only amplified during significant weather events.

Municipal workers and their contracted partners are responsible for maintaining roads, bridges, sidewalks, and other essential services - often in extreme weather and high-risk environments. When these workers are threatened or obstructed, it becomes not only a workplace safety issue, but a broader public safety concern. In some cases, conditions have become so unsafe that

municipal staff and subcontractors have walked off job sites, jeopardizing timely service delivery during critical events.

We respectfully ask the Province to consider the following changes:

- Under the Emergency Management and Civil Protection Act, when a municipality declares a Significant Weather Event, municipal winter maintenance vehicles and operators - including subcontractors working on behalf of municipalities - should be afforded enhanced protection, with interference or obstruction treated with the same severity as interference with police, fire, or paramedic services.
- Establish clear public-safety interference provisions, similar in intent to Ontario's Slow Down, Move Over legislation, that recognize the essential role of municipal roadside workers.
- Consider adopting provisions similar to Manitoba's recently passed Bill 38, an amendment to their Highway Traffic Act effective January 1, 2026, which requires motorists to maintain a minimum distance of 30 metres behind snowplows where speed limits are 80 km/h or lower, and 100 metres where speed limits exceed 80 km/h.

These changes would provide clarity, deterrence, and enforceability—sending a strong message that interference with municipal workers performing essential services will not be tolerated. Just as Ontario protects first responders from obstruction during emergencies, we must extend similar protections to the public works professionals who keep our communities safe, connected, and functioning.

AORS would welcome the opportunity to meet with you and your staff to discuss these concerns further and to collaborate on legislative solutions that better protect municipal workers and subcontractors while strengthening public safety across the province.

Thank you for your consideration of this critical issue.

Dear Solicitor General Kerzner,

On behalf of Ontario's municipal public works professionals, we are writing to raise serious concerns regarding the safety of municipal workers and subcontractors who are increasingly facing harassment, threats, and dangerous interference from members of the public while delivering essential municipal services - particularly during winter maintenance and emergency operations.

Across Ontario, municipal public works teams are responsible for maintaining critical infrastructure that residents depend on every day, including roads, sidewalks, bridges, and drainage systems. During significant weather events, these workers are frontline responders, ensuring emergency vehicles can travel safely and that communities remain connected and accessible. However, the behaviour directed at them has escalated well beyond routine complaints and has become a direct threat to both worker safety and public safety.

Through consultations with AORS members province-wide, we continue to receive troubling reports that illustrate the seriousness of this issue. These include:

- An individual throwing a large chunk of ice at an active piece of municipal equipment while it was operating.
- A resident threatening to kill a sidewalk plow operator.
- A man climbing onto a snowplow and refusing to get off until the driver agreed to plow his road next.
- Two staff members confronted and aggressively accosted in public - one at a gas station and another while simply waiting in line for coffee - by individuals angry about road conditions and a mailbox strike that were not even related to that municipality.
- A voicemail threatening to shoot a plow driver with a shotgun the next time the street was plowed.
- A resident jumping in front of an active plow during a major snow event and refusing to move, delaying operations for over an hour and jeopardizing service levels and overall emergency response.

These examples represent only a small sample of the experiences municipal plow drivers and winter maintenance crews are facing across the province. What was once occasional frustration has escalated into intimidation, threats of violence, and direct interference with equipment and operations.

Equally concerning is that municipalities do not always receive consistent enforcement support when these incidents occur. We have heard directly from members who contacted the Ontario Provincial Police for assistance and were advised that, unless a physical assault had already taken place, the situation was "not a police matter." Waiting until a worker has been physically harmed before intervention is neither preventative nor acceptable.

This gap leaves municipalities and workers vulnerable and sends an unintended message that threatening or obstructive behaviour toward municipal staff carries little consequence. It also places supervisors and by-law officers in situations that may exceed their authority or capacity to manage safely.

We believe a proactive and coordinated response is needed. Municipal workers and their subcontractors should not have to choose between their personal safety and providing critical services during storms and emergencies.

We respectfully ask that the Province of Ontario and the Ontario Provincial Police take a clear and strong stance that interference, threats, and harassment directed at municipal public works staff will not be tolerated. Specifically, we would welcome:

- Clear direction and guidance to police services, including the OPP, that threats, intimidation, and obstruction of municipal workers performing essential duties warrant timely enforcement and support.
- Recognition that interference with winter maintenance and emergency public works operations presents a broader public safety risk, not merely a municipal operational issue.
- Enhanced coordination between municipalities and local police services during significant weather events and emergency responses to ensure worker safety and continuity of service.
- Consideration of legislative or policy tools that provide stronger deterrence and consequences for those who threaten or obstruct municipal staff and contractors.

Municipal public works professionals are essential workers. They keep roads open for ambulances, fire trucks, school buses, and the travelling public. Their safety should be treated with the same seriousness as that of other frontline responders.

AORS would welcome the opportunity to meet with you and your staff to discuss these concerns and explore practical steps to ensure consistent enforcement support and stronger protections for municipal workers across Ontario.

Thank you for your attention to this important matter and for your continued leadership in public safety.

Dear Mr. Lightbound.

At the Township of Terrace Bay's Regular Council Meeting held on Tuesday April 7, 2026, the following resolution of support was passed:

RE: Resolution Regarding Reduced Rate Distribution of Library Resources

Resolution: 88-2026

Moved By: Councillor Dube

Seconded By: Councillor Adduono

WHEREAS public libraries play a vital role in ensuring equitable access to information, literacy, education, and culture for all residents;

AND WHEREAS inter-library loan services are an essential component of public library operations, particularly for small and rural communities with limited local collections;

AND WHEREAS reduced postal rates for library materials have historically enabled libraries to share resources efficiently and affordably across Canada;

AND WHEREAS recent amendments to the Canada Post Corporation Act have removed the legislative requirement to provide reduced postal rates for library materials, creating uncertainty for the continued delivery of this essential service;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Corporation of the Township of Terrace Bay calls upon the Government of Canada to maintain and protect reduced-rate postal distribution for library materials through legislation;

AND THAT Council requests that the Minister responsible for Canada Post ensure continued, affordable postal access for libraries and inter-library loan services;

AND THAT a copy of this resolution be forwarded to The Honorable Joel Lightbound, Minister of Government Transformation, Public Works and Procurement, Patty Hajdu, MP Thunder Bay-Superior North, Lise Vaugeois, MPP Thunder Bay-Superior North and all Ontario municipalities for support.
