- 18.1 Proposed province-wide Heritage Helping Housing Grant Program (HHHGP) from the Architectural Conservancy of Ontario (ACO)(ADM-01-26)

Moved by: Councillor Stolte

Seconded by: Mayor Meed Ward

Whereas the Architectural Conservancy of Ontario (ACO) is proposing a province-wide Heritage Building Grant for Housing entitled the Heritage Helping Housing Grant Program (HHHGP); and

Whereas the ACO recommends that the Province create a new, application-based, matching grant program of \$10 million/year to generate new housing in existing heritage assets, whether designated or not; and

Whereas the HHHGP would support Ontario's housing objectives while advancing the ACO's strategic goal to Keep | Fix | Reuse our heritage assets; and

Whereas the HHHGP would incentivize owners to revitalize vacant or underutilized heritage buildings which:

- Creates new housing in existing buildings increasing the number of dwelling units;
- Reuses existing structures minimizing the need for new infrastructure;
- Rehabilitates older buildings making changes generally less expensive, uses local resources and creates local jobs;
- Keeps older buildings helping a community enrich certain neighbourhoods visually and through new residents while enhancing their identity and growing its tourism brand and appeal;
- Is a simpler and more direct way for heritage building owners to fund

renovations or conservation;

- Can be an alternative to the Ontario heritage property tax relief program, which has limited impact on developers though reduces municipal revenues;
- Reduces carbon emissions in comparison to the demolition of the buildings and some new construction;
- Offers an incentive for owners to work with municipalities to have historic places recognized under the Ontario Heritage Act; and,
- Supports a partnership between many parties, based on a simple application modelled after the Alberta program, providing half the grant upfront making the grant program popular with developers and owners.

Now therefore be it resolved;

That the Heritage Burlington Advisory Committee recommends the City of Burlington endorse the proposal by the Architectural Conservancy Ontario (ACO) for a \$10 million/year matching Heritage Helping Housing Grant Program and that the Mayor send a letter to Doug Ford, Premier; Graham McGregor, Minister of Citizenship and Multiculturalism; Peter Bethlenfalvy, Minister of Finance and Natalie Pierre, MPP Burlington, to urge that funding for the program be included in the 2026 provincial budget and annually thereafter; and,

That a copy of this resolution be sent to the Association of Municipalities of Ontario and Big City Mayors
