RE: Updates to certain operational policies under the *Aggregates Resource Act*

Greetings,

Further to a letter from the ministry dated August 8th, 2025, I am writing to inform you that a decision notice has been posted regarding the updates to certain operational policies under the *Aggregate Resources Act* (ERO # [025-0216](#)).

These policies were updated as part of the ministry's initiative to modernize operational policies that support the effective delivery of Ontario's *Aggregate Resources Act* program. The updates are intended to clarify requirements and improve program efficiency.

Policies related to the following have been updated:

- Cultural Heritage Report
- Matters to be Considered in the Issuance of a Licence
- Water Report
- Maximum Predicted Water Table Report (New Policy)

These updates better align policy guidance with the requirements of the Aggregate Resources of Ontario Standards. Details of the decision and revised policies are available through the Environmental Registry of Ontario (ERO #[025-0216](#)) and will be posted soon on the aggregates policies and procedures page.

In addition, the ministry has rescinded 28 policies that were outdated or no longer needed. Rescinding these policies is expected to provide greater certainty and clarity to industry and the public about current program requirements and processes.

If you have any questions regarding these changes, please contact us by email at aggregates@ontario.ca.

Sincerely,

John Dungavell,
Director, Development and Hazard Policy Branch

RESOLUTION # 136/2026

DATE: June 9, 2026

WHEREAS the Ontario Provincial Police (OPP) provide policing services to both organized municipalities and unorganized territories across the Province of Ontario;

AND WHEREAS organized municipalities receiving OPP policing services are billed under the OPP Municipal Policing Billing Model, which includes a base service cost and additional costs related to calls for services;

AND WHEREAS unorganized townships and territories contribute to policing costs through provincial taxation mechanisms and pay only a base rate while receiving OPP policing services;

AND WHEREAS residents of unorganized territories receive comparable OPP policing services to those provided in organized municipalities;

AND WHEREAS recent increases in OPP policing costs have placed a growing and disproportionate financial burden on organized municipalities and their taxpayers;

AND WHEREAS municipalities have limited revenue tools and must rely primarily on property taxation to fund essential services such as policing;

AND WHEREAS the current funding structure creates an inequitable situation in which organized municipalities are required to subsidize a larger share of policing costs while similar services are provided in unorganized territories at a significant lower contribution level;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Corporation of the Township of McGarry calls upon the Province of Ontario to conduct an immediate review of the OPP Municipal Policing Billing Model and the policing funding structure for unorganized territories;

AND FURTHER THAT the Province be requested to implement a fair and equitable funding model that ensures all communities receiving OPP policing services contribute appropriately to the cost of those services;

AND FURTHER THAT the Province be requested to consult with municipalities, particularly those in Northern Ontario, regarding the financial impacts of OPP policing costs and the current inequities in the system;

AND FURTHER THAT a copy of this resolution be forwarded to the Honorable Minister of the Solicitor General, the local Member of Provincial Parliament, the Association of Municipalities of Ontario (AMO), the Federation of Northern Ontario Municipalities (FONOM), the Northwestern Ontario Municipal Association (NOMA), and neighboring municipalities for their support.

Hon. Robert J. Flack
Minister of Municipal Affairs and Housing
777 Bay Street, 17th Floor
Toronto, ON M7A 2J3

Dear Minister Flack,

Re: Canada-Ontario Development Charge Reduction Program (DCRP)

On behalf of Council for the Town of Plympton-Wyoming, I am writing to acknowledge the Province of Ontario's Canada-Ontario Development Charge Reduction Program (DCRP) and its intent to support housing development and critical infrastructure investment across municipalities.

Council appreciates the Province's efforts to address housing supply challenges by incentivizing development and providing access to infrastructure funding. The objectives of increasing housing availability and supporting growth-related infrastructure are important priorities that align with the Town's long-term planning goals.

However, Council wishes to express concern that the current structure of the DCRP presents significant challenges for small, rural, and northern municipalities such as the Town of Plympton-Wyoming. Municipalities are required to commit to substantial development charge reductions while also preparing competitive applications for large, shovel-ready projects within a limited timeframe.

The program's compressed application intake period provides limited opportunity for municipalities with constrained staffing and financial capacity to properly evaluate participation, identify eligible projects, and assemble a competitive submission.

Additionally, the requirement to prioritize large-scale infrastructure projects that clearly enable housing development, coupled with the expectation of upfront municipal financial contributions, places smaller municipalities at a disadvantage. Many rural communities do not have the same breadth of shovel-ready growth-enabling projects readily available, nor the internal resources required to mobilize applications within such tight timelines.

Council is concerned that, without adjustments, the current program design may limit participation from smaller municipalities and result in an inequitable distribution of funding, favouring larger urban centres with greater administrative capacity and project readiness.

In light of these concerns, Council respectfully requests that the Province of Ontario consider establishing a dedicated program stream for small, rural, and northern municipalities. Such a stream should include:

- More flexible and extended application timelines;
- Scaled project requirements that reflect community size and capacity; and
- Adjusted eligibility criteria that recognize the unique infrastructure funding models and operational realities of rural municipalities.

These modifications would help ensure that all municipalities, regardless of size, have a fair opportunity to participate in the program and contribute to the Province's shared objective of increasing housing supply.

The Town of Plympton-Wyoming remains committed to working collaboratively with the Province to support sustainable growth and infrastructure investment in our community.

A copy of this correspondence has been shared with our local Members of Provincial Parliament and Federal Parliament, as well as neighbouring municipalities, to encourage broader support for these requested program enhancements.

Thank you for your consideration.

Yours sincerely,

Adam Sobanski
Chief Administrative Officer
Town of Plympton-Wyoming

WHEREAS growing pressures across Ontario's healthcare system are increasing patient volumes in emergency rooms (ERs), requiring more complex care and contributing to longer patient wait times for residents across the Province of Ontario; and

WHEREAS Health Quality Ontario data from October 2025 reports that patients requiring admission to hospital waited an average of 19 to 20 hours, while high-urgency patients waited close to five hours on average to be assessed by a physician; and

WHEREAS the Auditor General of Ontario reported in December 2023 that significant hospital staffing shortages were reducing access to timely emergency care; and

WHEREAS the Financial Accountability Office of Ontario reported in March 2023 that emergency room wait times were increasing significantly, with the longest wait times recorded in more than fifteen years, and that provincial funding was projected to be \$21.3 billion short of maintaining current health programs through 2028; and

WHEREAS the Ontario Hospital Association has reported that Ontario has had the lowest per capita hospital expenditure in Canada since 2018 and that approximately 4,200 Alternate Level of Care (ALC) patients remain in acute care beds, contributing to emergency room overcrowding and delays; and

WHEREAS emergency room overcrowding and prolonged wait times have been linked to adverse patient outcomes and place additional strain on Ontario's healthcare system, including municipal paramedic services experiencing excessive ambulance offload delays; and

WHEREAS the Provincial Government has taken important steps to improve healthcare in Ontario; however, additional funding, staffing resources, and capacity enhancements remain critical to ensuring timely access to emergency medical care; and

Dear Mr. Ford,

At the Township of Terrace Bay's Regular Council Meeting held Monday June 15, 2026, the following resolution of support was passed:

RE: Resolution of Support – Sustainable Provincial Grant Funding For Fire Service

Resolution: CR142–2026

Moved by: Councillor Webb

Seconded by: Councillor Dube

WHEREAS Municipal fire services in Ontario operate under legislative authority established by the province through statutes, regulations, codes and prescribed standards governing training, equipment, certification, inspection, and operation requirements.

AND WHEREAS municipalities are responsible for implementing and maintaining compliance with these provincially mandated requirements primarily through local property taxation;

AND WHEREAS current provincial fire service grant programs are available to both full-time and volunteer fire departments across Ontario and are distributed through competitive application processes that may not fully reflect the differing financial and administrative capacities of urban and rural municipalities, highlighting the need for a more balanced approach to funding that supports all fire services equitably;

AND WHEREAS volunteer firefighters represent approximately 70-75% of firefighters in Ontario protecting the majority of communities across the province and, particularly in rural areas, are frequently the first emergency responders to arrive on scene ahead of other emergency services;

AND WHEREAS other provincially regulated emergency services, including policing and paramedic services, receive stable and predictable provincial funding contributions or cost-sharing arrangements;

The Corporation of the Township of Terrace Bay

P.O. Box 40, 1 Selkirk Avenue, Terrace Bay, ON, P0T 2W0
Phone: (807) 825-3315 Fax: (807) 825-9576

AND WHEREAS the absence of a comparable and stable funding model for fire services creates a structural imbalance between provincial regulatory authority and municipal financial responsibility;

AND WHEREAS reliance on competitive funding creates budget uncertainty, limits long-term financial planning, and may not reflect the actual operational needs of fire services, contributing to instability, reduced preparedness and the reduction of services within a critical emergency response sector;

AND WHEREAS stable and predictable funding is essential to maintain emergency preparedness, firefighter safety, service sustainability, and equitable protection for residents regardless of municipal size or tax base;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Township of Terrace Bay respectfully calls upon the Province of Ontario to transition the current practice of competitive provincial fire service grant programs into a permanent, stable, and predictable non-competitive provincial funding program that supports municipalities in meeting provincially legislated fire protection requirements;

AND FURTHER THAT this funding be structured to provide equitable and predictable annual support for operational readiness and training costs associated with volunteer, composite and full-time fire departments across Ontario;

AND FURTHER THAT the annual value of this funding be reviewed and adjusted to more appropriately reflect the level of provincial funding support currently provided to other provincially regulated emergency services, including policing and paramedic services;

AND FURTHER THAT this resolution be circulated for endorsement to:

- All municipalities
- Ontario Association of Fire Chiefs
- Ontario Professional Fire Fighters Association
- Ontario Volunteer Fire Fighter Association
- Association of Municipalities of Ontario

AND FURTHER THAT, upon endorsement, this resolution be submitted to:

Please be advised that during the regular Council meeting of June 9, 2026 the following resolution regarding a request to the Province to extend the deadline for Notices of Intention to Designate Listed Heritage Properties was carried.

RESOLUTION NO. **2026-268**

DATE: **June 9, 2026**

MOVED BY: **Councillor Hirsch**

SECONDED BY: **Councillor MacNaughton**

WHEREAS amendments to the Ontario Heritage Act under the More Homes Built Faster Act, 2022 introduced timelines requiring municipalities to issue Notices of Intention to Designate for properties listed on municipal heritage registers as of December 31, 2022, originally requiring action by January 1, 2025; and

WHEREAS the Province subsequently amended the legislation through the Homeowner Protection Act, 2024 to extend the deadline to January 1, 2027 in response to concerns raised by municipalities and heritage stakeholders; and

WHEREAS municipalities require sufficient time and resources to undertake research, documentation, consultation, and evaluation to determine whether listed properties warrant designation under the Ontario Heritage Act; and

WHEREAS the removal of listed properties from municipal heritage registers if the prescribed timelines are not met may place cultural heritage resources at increased risk of demolition or irreversible alteration before municipalities have the opportunity to properly evaluate their cultural heritage value or interest; and

WHEREAS the Built & Cultural Heritage Advisory Committee and Heritage Designation Working Group are comprised of a handful of dedicated volunteers who are not able to review the current non-designated register containing over 200 properties on or before the deadline of January 1, 2027; and

WHEREAS many municipalities, including the County of Prince Edward, do not have dedicated heritage planning staff and must rely on volunteer Heritage committee members or external heritage consultants to undertake the evaluations, which can result in additional financial and administrative pressures; and

WHEREAS the Heritage Designation Working Group, heritage consultants or staff members would need to review the municipal heritage register, research the heritage value and interest of listed non-designated properties, contact owners of such properties, determine which properties should potentially be designated in accordance with the provisions of

Section 29 of the Ontario Heritage Act, and take all required steps to designate such properties; and

WHEREAS the above noted work involving over 200 listed properties in the County of Prince Edward is extremely time-consuming and cannot be completed by January 1, 2027 with the current resources available given other competing interests including reviewing and supporting new housing development proposals; and

WHEREAS municipalities across Ontario are facing significant workloads associated with evaluating listed properties; and

WHEREAS the Built & Cultural Heritage Advisory Committee, at its meeting of June 3, 2026, discussed and supported advocating to the Province of Ontario for a further extension to the current deadline;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Corporation of the County of Prince Edward respectfully request that the Province of Ontario further amend the Ontario Heritage Act to extend the January 1, 2027 deadline to January 1, 2030, or another reasonable timeframe for issuing Notices of Intention to Designate for properties listed on the municipal heritage non-designated register; and

THAT a copy of this resolution be sent to the Minister of Citizenship and Multiculturalism, the Minister of Municipal Affairs and Housing, Bay of Quinte M.P.P. Tyler Allsopp, the Association of Municipalities of Ontario, Community Heritage Ontario, and all Ontario municipalities.

Yours truly,
